and the Americans to a head When a group of under trained Illinois militia mistakenly opened fire on the Sauk Black Hawk began what is known as the Black Hawk War leading raids against American forts and settlements in an effort to reclaim their ancient land Even though Black Hawk managed to convince other tribes to join his cause the war was quickly lost and Black Hawk captured He was then taken on a tour of the vast East Coast cities in an attempt to impress upon him America's overwhelming might Despite his status as a former enemy he was treated with dignity and respect by his captors before they granted him a small house and plot of land in Iowa to live out the rest of his days His autobiography was dictated to a translator Antoine Le Clair and written down by his amanuensis and publisher J B Patterson The story Black Hawk tells is a vivid one of life on the prairie rich with tradition and meaning but riven equally by war and bloodshed As he reminisces about the bucolic life he and his ancestors once led and compares it with the hardships his people are facing his sorrow becomes palpable and as his days draw to a close the reader sees that even to Black Hawk the fate of his people appears inevitable
