Resource Explanation

Look Closer encourages pupils to look closer at one article in the week's newspaper and analyse it in detail. Each week the questions will enable children to find the facts, interpret the information and work out why journalists wrote and presented the story the way they did. These questions are based on the assessment focus strands (AF2-7) which are referenced in the Teacher Answers along with suggested levels.

For a simpler activity for lower ability pupils, why not use the simplified story and discussion questions found in this week's Year 1, 2, 3 activities. For an extension word-level work, try the Year 7 & 8 10-minute News Challenge.

Uses

Ideal for:

- guided reading
- booster sessions
- homework activities
- SATs practice
- whole class starters
- cross-curricular functional skills practice
- extension activities
- individual assessment focus (AF2-7) teaching opportunities by focusing on one question in a plenary session
- a handy record of pupils' reading performance and ideal APP evidence
