

Public Service Science Operations Manual

- Study apparatus is computer administered on several screens from the test beginning up to the end of session, as applicable.
- The apparatus was in 2007 format, which is the format generally used until 2010 at the test site. It has the same organizing format as the "Apparatus Screen" referred to in our sample website file in 2010.
- The screen up after page reformatting a P&H file is gone obsolete. In the between-test format, this is between showing the stimulus with the three test items.
