Morry Sofer, 2005 Improve your Translation Skills in eight easy lessons in areas such as news Law medicine business and more **Translating Official Documents** Roberto Mayoral Asensio, 2014-07-16 Official translations are generally

documents that serve as legally valid instruments They include anything from certificates of birth death or marriage through to academic transcripts or legal contracts This field of translation is now as important as it is fraught with difficulties for it is only in a few areas that the cultural differences are so acute and the consequences of failure so palpable In a globalizing world our official institutions increasingly depend on translations of official documents but little has been done to elaborate the skills and dilemmas involved Roberto Mayoral deals with the very practical problems of official translating He points out the failings of traditional theories in this field and the need for revised concepts such as the virtual document pragmatic constraints and risk analysis He details aspects of the social contexts ethical norms translation strategies different formats fees legal formulas and ways of solving the most frequent problems Care is taken to address as wide a range of cultural contexts as possible and to stress the active role of the translator This book is intended as a teaching text for the classroom for self learning or for professionals who want to reflect on their practice Activities and exercises are suggested for each chapter and information is included on professional associations and societies across the globe *Translator*

the CLEF 2001 evaluation campaign were reported and discussed in paper and poster sessions. The second day focused on the current needs of cross language systems and how evaluation campaigns in the future can best be designed to stimulate progress. The workshop was attended by nearly 50 researchers and system developers from both academia and industry. It provided an important opportunity for researchers working in the same area to get together and exchange ideas and experiences. Copies of all the presentations are available on the CLEF web site at <http://www.clef-campaign.org>. This volume contains thoroughly revised and expanded versions of the papers presented at the workshop and provides an exhaustive record of the CLEF 2001 campaign. CLEF 2001 was conducted as an activity of the DELOS Network of Excellence for Digital Libraries funded by the EC Information Society Technologies program to further research in digital library technologies. The activity was organized in collaboration with the US National Institute of Standards and Technology (NIST).
