ROBERT
REILLY

"Take a man, an artist, musician, writer and cast him down into the stone steel hell of prison, but not as an inmate, as a guard, with all the pressures and dangers and bizarre human interactions inherent in this situation and you have the setting for a powerful, brutally honest and inspiring book that will touch, shock and ultimately heal all those who read it . . ." —Billy Hayes, author of *Midnight Express*

Life In Prison Eight Hours At A Time:

Life In Prison: Eight Hours at a Time Robert Reilly, 2014-10-30 Silver Medal 2015 IBPA Benjamin Franklin Awards Best New Voice Finalist Memoir 2015 Maine Literary Award In this gripping nonfiction account Robert Reilly provides a look inside America's prison system unlike any other and the way that it affects not only the prisoners themselves but also the corrections officers and their families After 13 years of struggling in the music business Robert Reilly found himself broke and on the edge of despair The specter of success in the music business had become a monster about to ruin his family life Something had to change or something was going to break beyond repair A chance conversation with a neighbor led him to apply somewhat half heartedly for a job at the county prison Although he hated the thought of a real job a regular salary of 40 000 with benefits and paid time off seemed like a small fortune Amazingly I somehow got hired So in an effort to do the right thing and put my family first I left the madness of the music business and entered the insanity of the U S prison system Robert Reilly served a seven year term as a prison guard in Pennsylvania and Maine Entering America's industrial prison system in search of a way to support his young family the struggling musician found himself in a looking glass world where often only the uniforms distinguished guards from prisoners Life in Prison chronicles the horrors of a place where justice is arbitrary outcomes are preordained and the private sector makes big money while the public looks away This is Reilly's story of doing time To call the experience sobering would be the ultimate understatement As time crawls by I become jealous of the inmates leaving the prison I start to slip I start to feel like I'm losing my faith Any trace of innocence that I thought I still had starts to evaporate I begin to feel trapped imprisoned locked in a dark heartbreaking world just like an inmate **My**

Life in Prison Donald Lowrie, 1912 The account of Donald Lowrie's 10 years in San Quentin after being convicted of burglary *Prison Diaries* Denis MacShane, 2014-08-17 Two days before Christmas 2013 former MP Denis MacShane entered one of Europe's harshest prisons Having pleaded guilty to false accounting at the Old Bailey he had been sentenced to six months in jail Upon arrival at Belmarsh Prison his books and personal possessions were confiscated and he was locked in a solitary cell for up to twenty three hours a day Denis was the latest MP condemned to serve as an example in the wake of the expenses scandal Written with scavenged pens and scraps of paper this diary is a compelling account of his extraordinary experiences in Belmarsh and later Brixton Recording the lives of his fellow prisoners he discovers a humility and a willingness to admit mistakes that was conspicuously lacking in his former colleagues at the House of Commons Woven into the narrative are thought provoking reflections on a range of important topics from the waning of public confidence in MPs and the high profile termination of his own political career to the failings of the British judicial system Above all Prison Diaries reveals what life as a prisoner in Britain is really like addressing issues such as rising inmate numbers dehumanising conditions high incarceration rates lack of rehabilitation and an endemic political disinterest This honest and fascinating diary is both a first hand insight into the current prison system and a report on how it simply does not work *The History*
