Love Without Borders Godfred Mensah, Kofi Quaye, 2015-05-13 Let us begin with the notion that there is nothing like a blueprint for a successful dating relationship or marriage No one can teach anyone how to enter into and maintain a perfect marriage or relationship or avoid the common mistakes people make that wreck marriages and relationships Not even a counselor psychologist or minister or anyone else can provide a plan that can guarantee a successful romance marriage love affair or a dating relationship There are just too many variables involved that make such a prediction impractical if not impossible Relationships marriages and love affairs work as a result of the time effort and energy put into it by those involved For some everything works out just fine and everybody is happy but sometimes the opposite happens and the question becomes why do some succeed while others fail It gets even more complicated when one of the two people involved is from another race country or culture
