Invisible Divides Natalie Williams, Paul Brown, 2022-04-21 We're called to be like Jesus not like each other so why are most Western churches predominantly middle class? Could it be that we're reaching out to people in poverty but struggling to connect them into church life? Natalie Williams and Paul Brown know all too well that those saved from working class backgrounds often find themselves disciplined effectively but into middle classism rather than authentic Christianity. Drawing on their own experiences and mixing theory with practical application, they explore the invisible divides that prevent churches from becoming places of true inclusion and keep poor and working class people on the edges of faith. Packed full of surprising insights and helpful advice, *Invisible Divides* will change the way you see church life. Essential reading for anyone concerned with the class divide within the church, it will challenge you to look at the ways in which we inadvertently exclude, alienate, and offend people who aren't like us and equip you to start working towards making church a more open, inclusive space for everyone. Jesus calls for us all to follow him, no matter our background. Together, we can break down the invisible divides between us so that people from all walks of life can come to know Christ and find family in our churches. **Natalie**
