When she receives a letter from her former pack that threatens to upend her life, Hayley seeks help from the one woman who's always been there for her, Willow K Sprout. Jackson Whelan never gave up on his pack or his home. The wolves at Twisted Tail had been through hell and back. When a new Alpha took over, the pack started to thrive and hope was restored, especially when his mate rolled into town. Upon her return, Hayley finds her destiny but it's quickly threatened by those who killed her family. Can she survive what they have planned for her, or will Twisted Tail truly bring about her demise?

**Twisted Lies**

Melanie James, 2024-07-10

Mikah Dawson has a problem with lies, but she just can't seem to help herself. Nearly every word out of her mouth is a lie. Not because she doesn't know how to tell the truth; she does. But the little white lies keep the walls up around her heart and her past from spilling into her present. Jason Black heads off in search of his mate after he receives a not-so-subtle hint from Willow K Sprout. What he finds is the hottest, most alluring woman he's ever set his sights on. The one who was made for him and him alone. Too bad she hates him from the moment she bumps into him. Or does she?
