Lindner,1984 **5500 Preparer's Manual for 2021 Plan Years** Fisher, Andersen, **From Program to Product** Rocky Smolin,2008-05-31 Many would be software entrepreneurs with expertise in many fields attempt to turn a homegrown application one developed for use in their own business or profession into a commercial product Lack of knowledge experience or skills often prevents the idea from ever taking shape let alone achieving its potential Entering a new field to start a business leaves many developers

unprepared and not even fully aware that it's something they know so little about. They will also often have a job that conflicts with the time commitment required to market the program well enough for it to become a complete success. Do you have an idea for a commercially viable software product or already have a product with the potential for dream financial rewards? Would-be software entrepreneurs must consult *From Program to Product: Turning Your Code into a Saleable Product*, written by software developer and entrepreneur Rocky Smolin, for an indispensable roadmap to creating a commercially successful software product. Smolin shares insights from his own experience and covers topics you may never anticipate but are vital to success like pricing, documentation, licensing, and tracking customers.
