

Family Tree Research Project

Families will have incredibly diverse structures and this topic will have to be dealt with sensitively.

Students could create their own family tree, paying special attention to the different places their family members have come from.

Encourage children to talk to their parents or guardians, ask questions about their family history.

Alternatively, they could research a celebrity. See the next slide for Barack Obama's family tree.

Family Tree Research Paper

Claire Santry

Family Tree Research Paper:

How to Organize Family History Paperwork Denise May Levenick, 2012-11-30 Family history research can quickly create mountains of paperwork This book give you step by step instruction to effectively organize and digitize your genealogy research papers You ll learn how to create a personalized filing system to suit your genealogy research style and experience turn your computer into a top notch filing clerk and research assistant by establishing a clear consistent naming pattern for files and folders Scan old paper records and store them electronically to save space and make them easier to find make digital copies of original source documents organize your family history research to pass on to future generations *Family Tree Maker For Dummies* Matthew L. Helm, April Leigh Helm, 2000-01-12 Do you rummage through your grandmother s attic for pictures of old relatives Have you ever wondered where your family came from Would you like to know if you and someone famous share a common great great grandparent If you ve answered yes to any of these questions you might be an amateur genealogist without even knowing it Genealogical programs like Family Tree Maker are widely available and do not require any special training to use That s right with a PC a computer program and an interest in discovering your roots you can begin tracing your family s history from its early years to today Along the way you just might visit exotic lands meet famous relatives or dabble in a foreign language Family Tree Maker For Dummies is your guide to getting the most out of today s most popular genealogy software on the market Begin by investigating the many features Family Tree Maker offers all budding genealogists Find out what you need to get underway and how to start recording data you have collected The book helps you create an investigation strategy that taps into close and distant relatives high tech resources and other genealogists from around the world You can also explore options for presenting your completed family tree from including photos and video in the final product to making copies for relatives Family Tree Maker For Dummies makes preserving vital family records a fun and rewarding experience [Discover Your Family History Online](#) Nancy Hendrickson, 2012-03-05 Your Guide to Online Genealogy The internet has made millions of records available to search any time anywhere Start finding your ancestors with just a few strokes of a keyboard using the detailed instruction in this book Inside you ll find An overview of where and how to start your family history research Detailed descriptions of the best online databases for family historians Hundreds of helpful websites to further your research Step by step search instructions to help you find exactly what you re looking for Chapters dedicated to finding specific records including birth marriage and death census military land and immigration Case studies that apply key concepts to real life searches Ideas for connecting with fellow researchers and distant relatives through social media blogging and newsletters Special resources for researching American Indian African American and Jewish ancestors Plus access to bonus online video demonstrations If you re curious about who s hanging out in your family tree there s never been a better time to find out Get this book get online and get started today [The Family Tree Irish Genealogy Guide](#) Claire Santry, 2017-05-29 Discover your Irish roots Trace your Irish ancestors from American
