Morgue Mama C. R. Corwin,2024-04-02 A brainteaser and a comic salute to the rather terrifying charm of its heroine New York Times In the world of newspapers the morgue is the place usually somewhere in the bowels of the building where old story clippings are filed away Dolly Madison Sprowls has been in charge

of The Hannawa Herald Union's morgue for more than 40 years. She is gruff and salty well past the age of retirement and the unchallenged queen of her ink-stained domain. Reporters call her Morgue Mama but only behind her back. Maddy's well-ordered world is turned upside down when the paper hires 24-year-old Aubrey McGinty for its police beat. Aubrey loses no time in questioning the conviction of Sissy James for the murder of TV evangelist Buddy Wing. Sissy had confessed live on television and the evidence seems overwhelming but the ambitious young reporter doesn't believe she did it. But why did Sissy embrace guilt? Aubrey enlists Maddy's help and together they begin a harrowing search for the truth. Digging into the files they soon dangerously uncover enough suspects to fill a studio with those who do the devil's work. *The Cadet Manual* Edgar Z. Steever, James L. Frink, 1918. *The Child Welfare Manual*, 1915. *In Your Face* Mandy Merck, 2000-10. At a time when sexy can be an adjective for anything when sexual awareness is declared to be advancing faster in months than in the past half century and when pundits warn of sexual overload the actual representation of sex is still deemed confrontational aggressive in your face. While critics accuse the academy of an obsession with sexuality they also complain that nothing that appears to refer to sex really does. In readings ranging across film drama opera fine art and critical theory Mandy Merck considers these phenomena as well as the role of the dog in anti-porn propaganda the unacknowledged significance of the lesbian hand and the early retirement of the phallus. Other topics include the relationship of women's tennis and prostitution the gendering of the wild and the tame in the age of AIDS and the sexlessness of postmodern criticism. *In Your Face* ends with the face and its alleged desecration by fellatio. Germaine Greer's condemnation of Bill Clinton for fucking the faces of little girls is examined in the light of one of Monica Lewinsky's endearments for the President fuckface. In a country whose last great Presidential scandal revolved around a key witness known only as Deep Throat and whose current Chief Executive works in the Oral Office giving head is going down in history. Analyzing the strange relationship of Linda Lovelace Camille Paglia and Paul de Man *In Your Face* concludes by considering desire and disgust in high and low places. *The Savvy Guide to Car Maintenance and Repair* Kate J. Chase, 2005-09. A consumer's guide to general automobile car repair and maintenance with step-by-step instructions. **Promising Practices III**, 2011-07-11. **Democracy's Hope** Nashville (Tenn.). Board of Education, 1952. **Men in Transition** Kenneth Solomon, 2013-11-11. Every year the few hundred members of the Committees Task Forces and Councils of the American Psychiatric Association meet in Washington D C to conduct their business. They deliberate on a wide variety of issues encompassed in the activities of each group. The psychiatrists constituting this mixed and somewhat elite group include some of the better known and promising people in the profession which makes the plenary session and cocktail party good occasions to meet old friends and to make new ones. Several years ago one of us N B L attended this gathering as a member of a soon to be defunct group the Committee Liaison with the American College of Physicians and met Ann Chappell a member of the Task Force on Women. We were soon joined by Richard Grant. Ann impressed us with the work her group was doing on issues surrounding the Women's Movement as it

relates to patients and the changing roles of the early 1970s She was struck by the fact that although some women had been very active in this endeavor nobody in American psychiatry was addressing issues which are arising in men as a result of the changing roles of women in society Dick and Norm were moved by what she said and decided that they would make an effort to gather together people interested in the issue of the changing roles of males in society at the oncoming meeting of the American Psychiatric Association
