Job Christian Union, Michael Racine, 2025-04-01. Christian Union Bible Studies empower you to grow in your relationship with God by feasting on His word. These guides provide more substantive exegetical teaching than a typical devotional book yet remain more accessible and application oriented than an academic commentary. Proven on the campuses of Ivy League universities, these Bible studies facilitate a diligent pursuit of God with heart and mind, consistently delving into three essential questions: 1. What does the Scripture say? 2. What does it reveal to us about God, what He is like, what He loves and values, what He hates? And 3. What shall we do with that information? Notes on translation, historical background, literary genres, and the meanings of Hebrew and Greek words will help you gain clarity about what exactly the text is and is not saying. These studies draw from the best biblical scholarship available, presenting it in an accessible and concise format along with observations drawn from the author's devout meditation on the text at hand and the Scriptures as a whole. Application questions throughout will challenge and encourage you to be a doer of the word, not merely a hearer. In 10 lessons, this study will help you dive deeply into the book of Job, either on your own or in a group context.

Why Black Lives Matter Anthony B. Bradley, 2020-10-21. Beginning with a conversation prompted by African American scholars like Dr. Alvin Poussaint of Harvard Medical School in 2007 to the current Black Lives Matter movement, there has been much debate about what led to the deaths of Trayvon Martin and Michael Brown, among others, as

well as other systemic challenges that undermine black thriving Anthony Bradley has assembled a team of scholars and religious leaders to provide a distinctly Christian perspective on what is needed for black communities to thrive from within In addition to the social and structural issues that must be addressed within black communities there are opportunities for social change based on God's vision for human flourishing Covering topics like the black family hip hop mental health mentoring women masculinity and the church this book will open your eyes to fresh ways to participate in solutions that will truly set black America free Although the Black Lives Matter movement keeps the church on the margins the authors in this volume believe that enduring change cannot happen unless God speaks directly to these issues in light of the gospel This is a revised edition of an earlier book *Keeping Your Head Up* With contributions from Vincent Bacote Bruce Fields Rev Howard Brown Ralph C Watkins Rev Eric M Mason Rev Lance Lewis Rev Anthony Carter Ken Jones Natalie Haslem Rev Ken Jones Rihana Mason Yvonne RB Banks *The Harvest Handbook™ of Bible Lands* Steven Collins, Joseph M. O'Dowd, 2024-10-16 How do you know if you're neglecting the great salvation you have in Jesus Christ? This great salvation is the salvation believers have now and eternally by grace through faith in Christ, and it is great both now and eternally and can be neglected. Moreover, such neglect can lead to dire consequences. In fact, the Book of Hebrews highlights how neglecting your salvation can impact you in the here and now as well as in the hereafter. Pastor Mike O'Dowd examines the chapters of Hebrews in this book so you can discover the pitfalls of neglect and take steps to ensure the fullness of your salvation. The author also answers questions such as: How can you be saved to the uttermost? What does it mean to have genuine faith? How should you live your daily life? Why is neglect so dangerous, especially in your life in Christ? Ignite your faith and safeguard the most precious treasure in your Christian life with the wisdom in **Are We Neglecting a Great Salvation**. **Defying**

Deception Jonathan K. Corrado, 2024-02-29 Comprehensive training and well-established tactics are the trademark qualities of a solid and robust military training program designed to win wars. As a result, well-trained soldiers can think and act soundly while engaged in warfare. Like soldiers, Christians must similarly train to become prepared to make biblically sound choices while engaged in spiritual warfare, specifically deception. Deception, as clearly conveyed in the Bible, is Satan's weapon of choice; therefore, if understood properly, it can be thwarted effectively. **Defying Deception: A Field Guide to Understanding and Countering Satan's Strategy of Deception** is a book for those who want to raise their awareness of the enemy's strategies and to mature their spiritual walk by offsetting the enemy's deceptive methods with practical means. That said, this field guide establishes a parallel between Satan's deceptive tactics and military Psychological Operations (PSYOP) operations to convey false information to influence emotions, motives, and reasoning because both seek to lead people into falsehood to influence decision making in a destructive way. This field guide discusses Satan's deceptive strategy within the context of PSYOP. Armed with this information, practical defensive strategies are developed using well-established effective

military tactics to assist readers in overcoming spiritual deception *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access-Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease. **Rebels with Insufficient Cause** J. M.

Sparrow, 2018-09-19 Why are Americans of African descent as a group not flourishing like other racial groups in America? Dr. J. M. Sparrow in *Rebels with Insufficient Cause* proposes that value formation through the biblical model of the family is lacking. The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing. Every person or social group that chooses to ignore God's designs for humanity will experience chaos, but every person and social group that submits to God's designs for humanity will experience order. Americans of African descent are experiencing that chaos in greater measure than any other racial group. Since this book holds to a biblical worldview that teaches that all humans are created equal, Americans of African descent are not inherently more debased than other races. However, since the out-of-wedlock birth rate is astronomically higher in black communities than in others, they are experiencing a greater share of the chaos. Yet all is not lost. When Americans of African descent begin to hold up the truths of the Bible as normative and encourage future generations to practice the same things, will begin to turn around. Americans of African descent must choose to reject the victim mentality, see themselves as part of the larger American culture rather than as outsiders, and inculcate biblical values on their children in the midst of loving, supportive, and God-honoring family units.

Biblical Succession Planning Joshua D. Henson, 2025-01-25 This book focuses on the contemporary applications of effective and ineffective leader succession narratives for contemporary organizational leadership. From Moses and Joshua to Paul and Timothy, the Old and New Testaments are replete with narratives describing the leader transitions of prophets, judges, kings, apostles, and pastors. Leadership succession is a complex process in that each situation is contextually unique. This book explores 10 narratives in the Bible that demonstrate the contextual complexities of leader succession and how

leaders navigated it for the good and bad Each chapter focuses on a different example of leader succession six Old Testament narratives three New Testament narratives and one chapter that takes a more holistic Scriptural approach The chapters provide practical organizational leadership principles that can be applied to contemporary succession planning Overall this work contributes to an emerging field of succession planning and informs organizational leaders how to lead from a Biblical perspective

Paul and the Language of Faith Nijay K. Gupta, 2020-02-04 A dynamic reading of Paul's faith language outlining its subtle nuances as belief trust and faithfulness Faith language permeates the letters of Paul Yet its exact meaning is not always clear Many today reflecting centuries of interpretation consider belief in Jesus to be a passive act In this important book Nijay Gupta challenges common assumptions in the interpretation of Paul and calls for a reexamination of Paul's faith language Gupta argues that Paul's faith language resonates with a Jewish understanding of covenant involving goodwill trust and expectation Paul's understanding of faith involves the transformation of one's perception of God and the world through Christ relational dependence on Christ as well as active loyalty to Christ Pastors and scholars alike will benefit from this close examination of Paul's understanding and use of faith language For Gupta Paul's understanding involves a divine human relationship centered on Christ that believes trusts and obeys
