*The Curse of Iqbal: Memoir of a Ship Broker's Son* Robert Stephen Hamlin, 2014-10-01 Even as a little kid the author harbored visions of becoming a writer or perhaps a gym teacher Those dreams were deemed insufficiently ambitious to his parents who had experienced the Great Depression firsthand They gave all three of their children the best education money could buy Over two centuries ago the poet William Wordsworth *My Heart Leaps Up* wrote the child is father of the man For the author of this memoir studying the poets of the Romantic era of English literature was the highlight of all his many years of schooling And the dreams of the child never were completely snuffed out Through the twists and turns of a young man becoming an adult the author became subject to the draft lottery instituted to insure the country had an adequate supply of men to fight the North Vietnamese However before his number ever came up he found himself in a hospital bed after a week of unconsciousness in the intensive care ward He had been in a devastating car accident a head on collision that killed both driver and passenger of the car that hit him His injuries turned out to be mostly physical despite the ominous warning from his neurological surgeon He missed a year to operations physical therapy and relearning to walk but he walked away stronger in body mind and spirit While this book is no misery memoir it does in subtle tones remind the reader that we all are subject to things over which we have no control Seeing life through the prism of paralysis as he did the author long ago adopted an attitude of gratitude and

acceptance Buoyed by an indomitable sense of humor and indefatigable spirit through the years he has remained up when many around him are down The informal yet chronological setting of the book will bring you along for many of the voyages the author took in the fifteen or so years after the accident but leaves you at the end quite literally up in the air as he ponders what life has in store for him next Whether the author is travelling by backpack or hunkered down in office suites in Manhattan his optimistic point of view continues to carry him through both loss and recovery through reinvention and rediscovery **The Bulb Horn**, 1977 *The Lovely Reckless* Kami Garcia, 2025-06-25 The Lovely Reckless has everything I hope for in a book Packed with the perfect blend of suspense drama romance and heart Kami Garcia has truly topped herself Colleen Hoover 1 New York Times bestselling author of It Ends With Us From 1 New York Times best selling author Kami Garcia a contemporary romance full of loss love and redemption She used to care about being the good girl Haunted by the memory of her boyfriend s death Frankie Devereux lives her life by one dangerous rule nothing matters But she crosses the line with a reckless choice that forces her to move in with her dad an overprotective cop and transfer to a new school When Frankie meets Marco a tough street racer who is risking everything for his family things get complicated He wasn t always the bad boy Everyone says Marco Leone is trouble But at Frankie s new school where fistfights in the halls don t faze anyone and illegal street racing is more popular than football Marco is also the fastest and hottest guy around As their attraction grows Frankie can t seem to stay away from him until she discovers Marco s dangerous secret Your own heart will race with each page turn of this heart stopping star crossed love story An Imprint Book Helping Educators Grow Eleanor Drago-Severson, 2012-11-01 How can we prepare practicing and aspiring education leaders for the complex adaptive challenges they face In *Helping Educators Grow* Eleanor Drago Severson presents a new approach to leadership development Too often she argues we teach leadership development the same way we teach world history just the facts Instead we need to create professional learning environments that invite educational leaders to experience the conditions that support adult growth even as they are learning about them The book takes as its starting point the premise that adult development is leadership development that is the task of school leaders is to develop the capacities of adults as well as students Drawing on the principles of constructive developmental theory Drago Severson offers a framework for conceptualizing growth based on the core elements of care respect trust collaboration and intentionality Richly informed by examples of effective developmentally oriented learning experiences for aspiring and practicing leaders the book includes application exercises and reflective questions to help readers engage with the ideas presented Widely respected for her groundbreaking work in adult development leadership and capacity building in learning communities Drago Severson provides the tools and concepts to make any professional learning initiative a developmental opportunity for individuals and groups in a variety of contexts university based seminars professional development workshops professional learning communities or peer to peer networks Dad's Car Rides Wanito Bernadin, 2023-09-20 So many fathers today are adrift

uncertain how to connect with their daughters There may be numerous reasons for this but one would surely be that our culture offers little guidance to men on fatherhood particularly when it comes to fathering daughters In fact one might ask what does it really mean to father a daughter We can see mothering all over television advertising and film but what about fathering Wanito Bernadin offers us a beacon something fathers might find guidance and inspiration in This book will help fathers and their daughters bond as each lesson and story is intended to stimulate discussion Wanito speaks to his daughters on all kinds of subjects including the importance of reading getting to know your own voice breaking bad habits recognizing abusive behaviour managing stress or how to cope with having made a bad decision He explains economics in a way children can understand He teaches them about debt management and how to evaluate investment opportunities for a brighter financial future And so much more But the real treasure of this book is in the wisdom Wanito offers such as in teaching them how failure is an essential part of growing and can lead to better things how to move from being a victim to a victor or how cultivating and protecting virtues like humility and kindness are integral to self respect This is a love letter from a Godly father to his daughters

*Just Enough Light* James Haas, 2023-07-12 No child grows up too quickly Children who regularly experience trauma are exposed to more than they are capable of processing As a result they often present a facade which falsely conveys that they are more secure and mature than they really are The consequences of such assumptions are potentially harmful to their health development and well being *Just Enough Light* is much more than a story chronicling the impact of divorce on a child raised by a parent suffering from mental illness incapable of providing the necessary material and emotional support for her children It is a tribute to the triumphant power of belief and the will to emerge from the despair of drug addiction violence anxiety and depression and ultimately persevere What makes this story so compelling is that it is presented from a unique perspective As each experience unfolds from childhood through adolescence it is presented through the mindset of the child's age at the time Both gut wrenching and touching it reaffirms the resilient nature of the human spirit and the truth that change and redemption are always possible Perhaps the most important message of this story is how it affirms the transformative power of human connection through intentional acts of grace
