this fully revised and updated edition you will learn how to Appear polished without sacrificing your personal style Develop skills and discover interests to boost your self confidence Find your true friendships and make them stronger Date Mr Right instead of hooking up with Mr Right Now Land the perfect internship and your first job Have a fun night without the risk of a social media faux pas With this insightful guide you ll be loving life with style class and grace in no time **Queens of**

s not allowed to say at home How do I teach my daughter caution but not fear How do I teach my daughter about gratitude when she believes she is entitled to a cell phone and a laptop and everything else that not only she wants but that all of the kids around her already have Melissa Trevathan and Sissy Goff hear these types of questions and many other comments from parents on a daily basis in their counseling office and at ministry events Today more than ever before we live in a culture that is at war against our parenting Between the internet the media the sense of entitlement that kids are living with the disrespect it is almost too much We often wish we could move back to Mayberry where our biggest concern was who had set off the firecrackers in the neighbor s garage While those aren t the issues most parents are facing today Melissa and Sissy believe we can still raise children who value well values They provide a clear and possible path back to cultivating children who have a sense of character and groundedness who may not be as rampant across playgrounds and parks as they once were They paint the picture of how to raise children with manners and kindness and with a healthy sense of fear and respect

both for their world and the adults around them and to do so without totally disengaging from the realities of today's world. In short, they believe it is still possible to instill vintage values in modern kids. *Modern Parents Vintage Values* talks about the specific issues facing kids today, helping parents to more fully understand the challenges being faced. Yet Melissa and Sissy don't stop there. They focus in on nine values that are foundational for the character development of children: kindness, integrity, manners, compassion, forgiveness, responsibility, gratitude, patience, and confidence. Each chapter is broken down into a section for children and adolescents and specific ways to foster the specific value for the particular age. *Modern Parents Vintage Values* offers parents timeless truths that can break through the chaos of today's culture and instill these truly vintage and important values in kids.
