## **The One-Idea Rule** Mark Rennella, PhD, 2023-08-29

Focused on a simple principle and designed to bolster writers confidence and skills writing coach at Harvard Business School

Mark Rennella offers practical advice for students and budding writers with the goal of leveling the playing field between beginners and those with more experience After a 30 year career as a writer instructor and editor Mark Rennella has crafted a battle tested method to help students and young professionals who want to improve their writing the One Idea Rule anchored on the assertion that every component of a successful piece of writing should express only one idea With The One Idea Rule writers embarking on their adult lives and professional journeys will have a reliable methodology they can easily remember and count on for all of their writing tasks as well as increased confidence about the cogency of their writing and its potential for impact in the public sphere Most advice about writing looks like a long laundry list of dos and don ts For those already accomplished as writers these lists can be a helpful addition to an already developed communication style But for teens starting college and young professionals entering the workforce it can be challenging to wield such complex advice to tackle increasingly demanding writing assignments The One Idea Rule is a writing primer aligned and empathetic with any young writer s needs

The Inerrant Word John MacArthur, 2016-03-16 The Bible stands at the heart of the Christian faith but now more than ever many question its historical reliability and relevance for life today In what may become the definitive contemporary evangelical resource on this foundational topic John MacArthur and a host of pastors biblical scholars historians and theologians defend the doctrine of biblical inerrancy from their various disciplines With contributions from evangelical leaders such as Kevin DeYoung R Albert Mohler Jr R C Sproul John Frame and Mark Dever this comprehensive volume makes the case that God s Word is without error and therefore completely reliable The contributors explore key Scripture passages precedents for inerrancy in church history theological responses to common challenges and pastoral applications of the doctrine to everyday life

*Instructions for Correct Assembly* Thomas Eccleshare,2018-04-07 Maybe turn down the opinionated dial Hari and Max weren t satisfied with their first attempt at parenthood so they re giving it a second go Only this time they ve got a 30 day money back guarantee and an easy to follow construction manual They re certain as long as they follow it step by step he s going to be perfect This might

be a little more complicated than the bed but still I'm sure it's the kind of thing we can crack on our own. Instructions for Correct Assembly premiered at the Royal Court Theatre London in the Jerwood Theatre Downstairs on 7 April 2018 in a production directed by Hamish Pirie. *Human Design Made Easy* Ilona Pamplona, 2024-12-03 An easy to use guide to Human Design which divides us all into five different personality types according to how we make decisions and use our energy. Every person is born with a unique energy signature that shapes everything from personality to learning style. Human Design is a system that teaches readers how to make informed, courageous decisions by breaking these signatures down into five major types: Manifestor, Projector, Generator, Manifesting Generator, and Reflector. This clear, easy to use guide teaches how to determine energy type in addition to key concepts about how each informs how the mind works, how to communicate with friends and family, and what occupations and work styles will help each type achieve their goals most effectively. In addition, author Ilona Pamplona, a Human Design coach, offers type-specific strategies for connecting with intimate partners, tips for how to avoid burnout and become open to new opportunities, and exercises for cultivating talents and identifying areas for improvement. Useful and enlightening for anyone curious about Human Design, in addition to those who would like to learn more. *Human Design Made Easy* is a perfect introduction to this fascinating and empowering method of self-understanding.

**Design History and Culture** Javier Gimeno-Martínez, 2024-07-26 This student-friendly text provides a comprehensive exploration of the methods and approaches employed within design scholarship, drawing upon influences from history, art history, anthropology, and interdisciplinary studies such as science and technology studies and material culture studies. Drawing connections between these methods and the evolving landscape of design, the book expands design culture beyond traditional outcomes to encompass areas like design for social innovation, digital design, critical design, design anthropology, and craftivism. Additionally, the book introduces novel theoretical frameworks to facilitate discussions on contemporary designers' work, including new materialism, object-oriented ontology, and decolonization. This comprehensive overview of methods and approaches will enable students to select the most appropriate methodological tools for their own research. It is an ideal guide for both undergraduate and postgraduate students in design, design culture, design history, design studies, and visual culture. *Languages for Special Purposes* John Humbley, Gerhard Budin, Christer

Laurén, 2018-10-22 This handbook gives an overview of language for special purposes (LSP) in scientific, professional, and other contexts, with particular focus on teaching and training. It provides insights into research paradigms, theories, and methods while also highlighting the practical use of LSPs in concrete discourse situations. The volume is transdisciplinary, oriented with a firm basis in the language sciences, including terminology, knowledge transfer, multilingual, and cross-cultural exchange.
