Journey Through Hell LS Jordan,2023-02-03 Journey Through Hell The Logan Nighthawk Story By LS Jordan Based partially on the author s real life experience Journey Through Hell The Logan Nighthawk Story is tender portrait of the life of Logan Nighthawk a boy growing up in rural Tennessee with his Cherokee grandfather Having been all but abandoned by his birth parents Logan finds solace in his grandfather s house where he learns what it means to be a good man and an important member of his community As Logan gets older he realizes he cannot remain under his grandfather s wing forever so he enters the world in order to make his own way and finds purpose when enlists in the military service Through his hard work dedication and talent Logan is recruited to become a member of the Black Ops Special Forces and despite Logan s excitement at serving his country he understands that this line of duty will force him to distance those he loves most so no danger will ever come to them Despite all of life s hardships all the isolation and disappointment Logan must feel he ultimately finds a family that loves and supports him a family worth fighting for

Journey of The Roma Through Time and Space Shashi Bala, Punita Singh,2025-09-26 The book Journey of the Roma through Time and Space marks one thousand years of exodus of Roma the forgotten children of India and focuses on the historical linguistic and cultural connection of Roma with their homeland India The Roma or Romani people representing the largest ethnic minority of Europe are traditionally nomadic itinerants who were widely known by the appellation Gypsies until the First World Romani Congress held at the suburb of south east London in April 1971 when the name Roma was officially adopted as the sole preferred ethnonym for the Roma Gypsy groups The immensely significant outcome of the First Congress was the unanimous consent to adopt the Roma flag embossed with the red chakra containing 16 spokes known as

the Dharma Chakra in recognition of its Indian origin that was reaffirmed as the official emblem of the Roma people Despite the long passage of time and their perennial journey to different parts of the world Roma have managed to maintain a distinct identity by preserving certain aspects of their culture traditions and language The book manifests a vivid image of political economic and socio cultural situations and ethnic identity of Roma communities Roma have a long history of suffering discrimination persecution and exclusion in Europe European rulers unleashed hatred and discrimination against them They were for instance enslaved in Romanian principalities of Wallachia and Moldavia from 14th to 19th centuries They were also victims of genocide during the Second World War when about half million Roma were massacred along with Jews by the Nazi regime Their situation still remains critical as they continue to face discrimination and unequal access to vital services especially healthcare housing education and employment While there have been some initiatives taken by European Commission to encourage Roma inclusion and participation the limited progress has been reported in many European countries A wide array of activities undertaken by Centre for Roma Studies and Cultural Relations Antar Rashtriya Sahayog Parishad beckons a strong hope to Roma communities around the world This book is an imperative source for scholars researchers and students to research on myriad aspects of Roma communities

Journey of the Star Children Through Time Sonja Christiansen KRMT,Ed Webber RMT,2022-02-03 Author Sonja A Christiansen was born in Frankfurt Germany just after World War II After coming to the United States as a child and growing up in Montville Maine she understood she had abilities that were different from others She could handle wild animals for example picking up wild raccoons and moving them out of the cellar or feeding wild bears by hand Author Harvard Ed Webber was also born right after the war in the small town of Rumford Maine As fate would have it he also found he had unusual gifts for healing and flight His first experience in the world of spirit was spontaneously leaving his body when he was in danger or extremely stressed Who would have ever guessed that these two would meet fall in love be separated by others and nearly fifty years later find each other again By that time both had many life experiences and had studied with many teachers who showed them how to use these abilities for good They both learned early how to leave their bodies at will and experience a whole new world This personal narrative tells the story of two children who believed they came from the stars and then built amazing lives together while exploring time travel clairvoyance and healing energy

Journey Through Trauma Gretchen L. Schmelzer, PhD,2018-02-06 For survivors of PTSD and repeated relational trauma and the people who love them Gretchen Schmelzer watched too many people quit during treatment for trauma recovery They found it too difficult or too frightening or just decided that for them it was too late But as a therapist and trauma survivor herself Dr Schmelzer wants us to know that it is never too late to heal from trauma whether it is the suffering caused within an abusive relationship or PTSD resulting from combat Sometimes what feels like a big setback is actually an unexpected difficult step forward So she wrote Journey Through Trauma specifically for survivors to help them understand the terrain of the healing process and stay on the path There are three

basic principles that every trauma survivor should know Healing is possible It requires courage And it cannot be done alone Traumas that happen more than once child abuse sexual abuse domestic violence gang violence even war are all relational traumas They happened inside a relationship and therefore must be healed inside a relationship whether that relationship is with a therapist or within a group Journey Through Trauma gives us a map to help guide us through that healing process see where the hard parts show up and persevere in the process of getting well We learn the five phases that every survivor must negotiate along the way and come to understand that since the cycle of healing is not linear circling back around to a previous stage does not mean defeat it actually means progress as well as facing new challenges Authoritative and accessible Journey Through Trauma provides support for survivors and their loved ones through one of the most challenging but necessary processes of healing that anyone can face Education for Refugees and Forced (Im)Migrants Across Time and Context
