A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides The Sacred Scriptures - Vol. III Johannes Biermanski, 2015-10-12 The objective of the Holy Bible the Sacred Scriptures 27th edition volume III is to revoke all falsifications in today s Bibles known so far the New Testament and to restore the original state of the verses as far as possible In the present work you will find from The Letter to the Hebrews to The General Letter of Judah also The Book of Daniel and The Book of Revelation in which the verses are written in German and English as well as an appendix with various elaborations and statements etc see the table of contents There is both a German and an English edition in which the attachments are available in the respective selected language This is a English version Other important parts of this work are focused on The Doctrine of the Trinity The holy Name of our God The Name of His Son and the Significancy The Falsification of the Resurrection Day The Ttatements of Dr Martin Luther and the Reformers The official Statements of the Clergy in Rome The full validity of God's Law as well as detailed explanations by the English reformers falsifications in the Holy Bible false doctrines etc The author was born in 1963 in North Rhine Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company In the course of his professional development he used to be a freelancer but was also officially employed he has experienced a lot rises and falls throughout his life While studying the Scriptures he was led by the Spirit of the only God the Almighty and the only Holy Father in heaven whereas by grace he could recognize many things that are now presented as heresies to the world In recent years he has been active in the proclamation of the Word of God in Europe particularly in Brazil South America and has enlightened many people by his message so that they get to know the true God His holy name and His will and only obey Him and start to think about all this i e so that they finally decide themselves in favour of the living God instead of against Him and their names are not erased from the divine Book of Life forever Ellicott's Commentary on the Whole Bible Volume VI Charles J. world In recent years he has been active in the proclamation of the Word of God in Europe particularly in Brazil South America and has enlightened many people by his message so that they get to know the true God His holy name and His will and only obey Him and start to think about all this i e so that they finally decide themselves in favour of the living God instead of against Him and their names are not erased from the divine Book of Life forever The Book of Revelation Through Hebrew Eyes Vol 2 John Klein, Adam Spears, 2009-06 This is the second book in a three volume series that will cover the entire book of Revelation in awe inspiring detail expounding and expanding on familiar verses in God s word that have been misunderstood and misconstrued for many years In this volume the authors explore the first half of Revelation from the perspective they established so clearly in Volume i that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language culture customs and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation The complete Bible commentary for English readers, by various writers, ed. by C.J. Ellicott. [Consisting of] A New Testament (An Old Testament) commentary for English readers. 8 vols. [publ. in pts. The general title-leaf appears in vol. 1 only]. Charles John Ellicott, 1897 Classic Pentecostal Sermon Library Vol 3 Ray H. Hughes, 2011 New Testament Apocrypha, vol. 1 Tony Burke, Brent Landau, 2016-12-02 Compilation of little known and never before published apocryphal Christian texts in English translation This anthology of ancient nonbiblical Christian literature presents informed introductions to and readable translations of a wide range of little known apocryphal texts most of which have never before been translated into any modern language An introduction to the volume as a whole addresses the most significant features of the writings included and contextualizes them within the contemporary study of the Christian Apocrypha The body of the book comprises thirty texts that have been carefully introduced copiously annotated and translated into English by eminent scholars With dates of composition ranging from the second century CE to early in the second millennium these fascinating texts provide a more complete picture of Christian thought and expression than canonical texts alone can offer The Ministry of the Word, Vol. 21, No. 10 Various Authors, 2017-10-01 This issue of The Ministry of the Word contains the final nine messages given during the spring 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Mending Ministry of John The overall subject of John s writings which include his Gospel his Epistles and Revelation is that the Triune God wants to dispense Himself into His chosen people as their life and life supply to make them divine so that they may express Him in full and for eternity In Revelation John presents the consummate vision in the Bible and the ultimate fulfillment of God's eternal economy the New Jerusalem The mending ministry of John carried out in the divine and mystical realm of the consummated Spirit is for the living out and the working out of the New Jerusalem The New Jerusalem is lived out by the believers becoming the New Jerusalem and the New Jerusalem is worked out by the believers building the New Jerusalem The New Jerusalem is the ultimate answer to the Lord's prayer in John 17 for the glorification of the Triune God through the oneness of the believers

built into the Triune God This city is the City of Jehovah the city of life the holy city and the city of glory Even in the Old Testament the prophets describe this city as a person that is one with Jehovah Isaiah says They will call you the City of Jehovah 60 14 and Ezekiel concludes his prophecy by declaring that the name of the city from that day shall be Jehovah Is There 48 35 The City of Jehovah means that Jehovah is in His redeemed regenerated transformed and glorified tripartite people and that they are in Him Jehovah Is There refers to the presence of Jehovah Himself who will be united mingled and incorporated with His people to be one entity the great corporate God man The New Jerusalem is also the city of life The Christ ministered by John is for the dispensing of the Triune God as life into man s tripartite being Out of such a ministered Christ the children of God are brought forth by receiving the eternal life They then partake of the fellowship of the eternal life by abiding in the Lord and walking in the light They are taught by the anointing to enjoy the virtues of the divine birth with the divine seed As a result they become the testimony of Jesus the lampstands as the expression of the Triune God to be the firstfruits and the harvest as the expression of life and the bride of the Lamb as His increase and satisfaction Moreover the New Jerusalem is the holy city God's living word His breathing out as the divine breath into the believers works within them to separate them from the world and to saturate them with the divine nature to make them a holy city the corporate and ultimate Holy of Holies as the reality of Zion To live out and work out the New Jerusalem the believers partake of the divine nature of the Father by exercising their spirit to enjoy God as Spirit the nature of God's person and by remaining in the divine fellowship to enjoy God as love the nature of God's essence and as light the nature of God's expression Furthermore the New Jerusalem is the city of glory The Lord wants to occupy every room in our being and He desires that we would be filled with His riches unto the fullness of God so that there would be glory to God in the church The Father will be glorified when His many sons are thus filled with the Triune God To be filled with the Triune God of glory for His corporate expression the believers must cooperate with the Spirit who is daily operating in them by their allowing the Spirit to infuse and transmit all the riches of the Triune God into them All believers need to be open to this Spirit to allow the Triune God to fill them to flow through them and to overflow out of them so that there would be the full expression of the Triune God in the church as the reality of the Body of Christ This Body will in turn consummate in the New Jerusalem as the ultimate expression of the consummated Triune God in and through man The New Jerusalem is the church as the reality of the Body of Christ in its ultimate state and consummation To live out the New Jerusalem is to grow up into Christ the Head by the mingling of God with man and to work out the New Jerusalem is to function out from the Head for the building up of the Body of Christ Only the Body of Christ will remain forever as the unique mutual abode of God and man so that God as the Spirit and man as the bride becoming a married couple are mingled and incorporated together to be one entity a great corporate God man Thus the issue of John s mending ministry is the accomplishing of the goal of God s economy which is to obtain the enlarged universal divine human incorporation of the consummated Triune God with the regenerated believers the New

Jerusalem in eternity The Divine Messenger Matthew Bryce Ervin, 2023-06-29 The Son of God didn t first come onto the scene in the final quarter of the Bible He appeared as a fascinating and sometimes mysterious figure throughout the Old Testament He is called by many names and referred to in many ways He appeared as the Word of the Lord as the presence within the Glory of the Lord as the personification of Wisdom as the Angel of the Lord as the Captain of the Lord s army and as Yahweh on earth Some of his appearances were dramatic while others were subtle Each of them highlights the Son's role as the Father's messenger And the appearances all foreshadowed the Incarnation when the Son of God would become a man The Holy Word for Morning Revival - Crystallization-study of and more fully reveal the Godhead to his creation **Numbers, Volume 2** Witness Lee, 2018-01-07 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the semiannual training held December 24 29 2018 in Anaheim California on the Crystallization study of Numbers Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides
