

# Final Exam Study Guide

Disclaimer: The following is not intended to be an exhaustive review of everything you should master to do well on the final exam. Rather, it is meant to supplement your working out of the homework problems and practice exam questions by focusing on terminology and theoretical concepts that might otherwise fall through the cracks. I also am not inside the instructor's mind and cannot say how close the exam questions will be to this material. These are simply the concepts that jump out to me based on my past experience teaching the class that I thought important enough to highlight.

we explain things in a way you'll both understand and remember at the testing center. It takes more work on our end but we feel our job is to make things easier on your end. We also take what you learn in the pages of this Series 63 exam study guide to a higher level by presenting you with over 450 challenging questions in our Pass the 63 Practice Exam Question Bank. However, our sample questions are not designed to merely trick you, which most people find discouraging and confusing at best. Rather, our Series 63 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 63 exam. Be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations that follow. For an extra edge, try writing your own variations of practice questions in this same notebook, something our tutoring clients have found extremely helpful. Finally, go to [www.examzone.com](http://www.examzone.com) to take the Go No Go Exams to see if you are really ready to take your Series 63 Exam. Pass the 63 is your guide to a passing score on the Series 63 exam. This textbook is at the same time in depth and easy to read. We don't skimp on the details found on the NASAA outline. Rather, we skip the filler found in many of the more tedious license exam manuals on the market. To give yourself an edge on this difficult license exam, buy this book and then go to [www.examzone.com](http://www.examzone.com) to purchase the Pass the 63 Practice Exam Question Bank, Pass the 63 Go No Go Exams, and other Series 63 study materials.
