Bow ties are cool but secrets not so much Behind Robert Emeny s cheerfully eccentric exterior lies a young heart battered and bruised by his past He s taken a job in a village primary school to make a fresh start and love isn t part of his plans But then he s knocked for six literally by a chance encounter with the uncle of two of his pupils Sean Grant works in pest control lives on a council estate and rides a motorbike

Robert is an ex public schoolboy from a posh family who drives a classic car On the face of it they shouldn't have anything in common Yet Robert can't resist Sean's roguish grin and passion sparks between them even after an excruciatingly embarrassing first date Too bad the past Robert's hiding from is about to come looking for him His increasingly ludicrous efforts to keep his secrets are pushing Sean away but telling the truth could make Sean leave him for good **One Under** JL Mellow, 2018-03-19 London Underground worker Mal Thomas is staying in Porthkennack to recover from a traumatic experience Getting more bad news from home is the last straw until big blond museum curator Jory Roscarrock steps up to offer some comfort As a doctor of English literature Jory should be in a prestigious post at a top university But a youthful indiscretion led him to abandon academia to come back to his hometown Porthkennack and the controlling family he's never really felt a part of He's delighted to find a kindred spirit in Mal But Jory's family hurt Mal's best friend deeply and while Jory is desperate to repair the damage his own mistakes threaten to keep him and Mal apart Meanwhile Mal is torn between his feelings for Jory and his duty to his friend and his fears that a failed relationship could be more than his shattered confidence can take Jory must convince Mal it's worth risking everything for their love See this title's page on RiptidePublishing.com for content warnings **Played!** JL Mellow, 2017-06-12 All the world's a stage but life doesn't come with a script Posh boy Tristan Goldsmith has one last summer of freedom before he joins the family firm in New York no more farting around on stage as his father puts it But the classically trained actor can't resist when the Shamwell Amateur Dramatics Society begs him to take a leading role in their production of A Midsummer Night's Dream As an added incentive he'll be giving private acting lessons to a gorgeous local handyman who's been curiously resistant to Tristan's advances As a late diagnosed dyslexic still struggling with literacy Con Izzard's never dared to act before With arrogant yet charming Tristan helping him with his lines he finally has his chance to shine But Con's determined not to start a romance with a man he's convinced only wants a casual fling Tristan's never been one to back down from a challenge especially when he realises his attraction to the tall muscular handyman isn't just physical Just as he thinks he's finally won Con's heart and given his own in return disaster strikes with a slip of the tongue that shatters Con's trust and sends him running for cover This show may be over before the curtain's even opened **Lovers Leap** JL Mellow, 2016-02-29 If they looked would they ever leap Good looking confident and doted on by his widowed mum Michael is used to thinking only of himself Getting shoved off an Isle of Wight pier by an exasperated ex-ought to come as a wake up call but then he meets Rufus and he's right back to letting the little head take charge Rufus is cute keen and gets under Michael's skin in a disturbing way Would be chef Rufus can't believe his luck when a dripping wet dream of a man walks out of the sea on his birthday especially when Michael ends up staying at the family B B Life is perfect at least until Michael has to go home to the mainland Rufus can't leave the island for reasons he's entirely neglected to mention And though Michael identifies as bi-breaking his mum's heart by coming out and having an actual relationship with a guy has never been his plan With both men determined to keep their secrets a leap of faith could land

them in deep water Merrow delivers a fast paced tongue in cheek tale full of memorable secondary characters romantic chemistry and local scenery Publishers Weekly [Love at First Hate](#) JL Merrow,2018-09-03 First impressions can doom second chances Bran Roscarrock has been living in the closet all his life As heir to an expansive family legacy in the town of Porthkennack old fashioned ideals of respectability and duty were drummed into him since childhood and he s never dared to live or love openly Sam Ferreira an old friend of Bran s brother Jory is a disgraced academic desperate to leave his dead end job When Jory asks him to take over as curator of a planned exhibition on Edward of Woodstock the fourteenth century Black Prince Sam leaps at the chance to do what he loves and make a fresh start But Bran s funding the exhibition and though sparks fly between the two men they re not all happy ones Bran idolises Prince Edward as a hero while Sam s determined to present a balanced picture With neither of them prepared to give ground a hundred years of war seems all too possible And if Bran finds out about Sam s past his future may not be bright and their budding romance may be lost to history *Face the Truth* JL Merrow,2023-07-15 Adam s still struggling to come to terms with what he s learned about his family but nevertheless he has to know more Digging deeper however only brings a further shock A visit to figures from his past may give him what he needs but it ll also lead to a heartbreaking dilemma Whatever he decides Adam s going to need all Corin s support to get through this This short story contains spoilers for Face Blind and is best read after the novel **Face Blind** JL Merrow,2022-10-10 When even friends look like strangers how will he ever find love Corin Ferriman was left face blind by the car crash that killed his ex Even people he s known for years are unrecognisable to him Running from his guilt and new found social anxiety he s moved to Glastonbury where he knows no one or does he Repeated sightings of a mysterious figure leave him terrified that his ghosts have followed him Tattoo artist Adam Merchant left Glastonbury at sixteen escaping from his emotionally distant mother to the father who d left them seven years previously Now at twenty five he s come home to bring his family back together But in a cruel twist of fate his mother dies before he can talk to her leaving him haunted perhaps literally by her memory and his unanswered questions When Corin and Adam meet again after an eerie first encounter Adam lays siege to the walls Corin s built around himself which start to crumble But there are ghosts haunting them both and while Adam longs for a connection beyond the veil Corin s guilt leaves him in angry denial that there could be anything after death With the liminal festival of Samhain fast approaching neither man is sure what s real and what s just a trick of the mind or maybe something worse
