sex addiction to shoplifting a dysfunction or disease How Americans blindly accept that twelve step programs offer the only hope of treating addiction when in fact these programs can do more harm than good How the self help movement inspired the disastrous emphasis on self esteem in our schools How self help rhetoric has pushed people away from proven medical treatments by persuading them that they can cure themselves through sheer application of will As Salerno shows to describe self help as a waste of time and money vastly understates its collateral damage And with SHAM the self help industry has finally been called to account for the damage it has done Also available as an eBook **Popular Science** ,1959-05 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Ohio Curriculum Materials, 1987 Catalog ,1987 *The Publishers' Trade List Annual* ,1985
