

CHEERS 'N' JEERS

Cheers

To NBC's *Saturday Night Live* for springing back to life from the comedy crypt. The show now has a fine ensemble, funnier writing and success with nailing the crucial first sketch, like the delicious spoof of the Republican candidates' debate (above). Once again, as in the show's heyday, the routines on *SNL* are being talked about in offices and schools on Monday morning.

Jeers

To Lorimar Telepictures for syndicating the TV show *Nightmare on Elm Street: Freddy's Nightmares*, borrowed from the ultraviolent horror movies. The ghoulish character of Freddy is a wretched host for a TV series that will be broadcast at 8 P.M. by some stations. A Lorimar executive reportedly justified

the series by stating in all seriousness, "No one under the age of 18 will be murdered in this show."

Jeers

To the Fox Broadcasting Company for scheduling its raunchy sitcom *Married... with Children* at least a half hour too early (8:30 P.M. ET). The battling Bundys are undeniably hilarious, but the show trades in adult subjects. Its double-entendre quotient is exceeded in prime time only by NBC's *Night Court*. *Married... with Children* is not family fare, and a later time slot would be more appropriate.

Cheers

To Kirstie Alley on NBC's *Cheers* for making us forget what's-her-name. After a rocky beginning as Rebecca Howe, Alley (below) has shown improvement with each show and has rapidly developed her skills as a comedienne. Her addition as the female foil for Sam Malone (Ted Danson) seems to have resuscitated the writing on the show as well. It's only been one season, but already it seems as if Alley has always been part of the gang at our favorite bar. **END**

Guide Cheers And Jeers
