Hard Times Original Edition Annotated English Edition

Peter Skilling

Hard Times Original Edition Annotated English Edition:

Hard Times Charles Dickens, 2021-01-19 *Hard Times* For These Times commonly known as *Hard Times* is the tenth novel by Charles Dickens first published in 1854 The book surveys English society and satirises the social and economic conditions of the era *Hard Times* is unusual in several ways It is by far the shortest of Dickens novels barely a quarter of the length of those written immediately before and after it Also unlike all but one of his other novels *Hard Times* has neither a preface nor illustrations Moreover it is his only novel not to have scenes set in London Instead the story is set in the fictitious Victorian industrial Coketown a generic Northern English mill town in some ways similar to Manchester though smaller Coketown may be partially based on 19th century Preston *Catalogue* Maggs Bros, 1895 **Catalogue of Good Books** Bangs & Co, 1888

Buddha's Words for Tough Times Peter Skilling, 2024-02-20 Twenty translations from the vast corpus of Buddhist literature come alive in this full color anthology of ancient wisdom for turbulent times as a master scholar uncovers their sources and significance Change and loss have always been part of the human condition but in today's world the pace and intensity of uncertainty has reached new extremes The Buddha observed the truth of impermanence more than 2 500 years ago and diagnosed the source of the anxiety it engenders so incisively that his prescription still resonates and heals here and now In *Buddha's Words for Tough Times* Peter Skilling one of the world's foremost authorities on Buddhist scripture brings the reader face to face with the wealth of Buddhist literature from a teaching in a single word to a seminal collection of verses on impermanence to narrations of the Buddha's teaching journeys across the Gangetic Plain Translating from sources in Tibetan Sanskrit and Pali he uncovers the complex history of the vast writings of the Buddhist canons and his skill in revealing the meaning of twenty gems from within those riches brings them alive for English readers We could have no better guide for this exploration an exploration whose value is more urgent than ever *The Reception of Charles Dickens in Europe* Michael Hollington, 2013-08-29 *The Reception of Charles Dickens in Europe* offers a full historical survey of Dickens's reception in all the major European countries and many of the smaller ones filling a major gap in Dickens scholarship which has by and large neglected Dickens's fortunes in Europe and his impact on major European authors and movements Essays by leading international critics and translators give full attention to cultural changes and fashions such as the decline of Dickens's fortunes at the end of the nineteenth century in the period of Naturalism and Aestheticism and the subsequent upswing in the period of Modernism in part as a consequence of the rise of film in the era of Chaplin and Eisenstein It will also offer accounts of Dickens's reception in periods of political upheaval and revolution such as during the communist era in Eastern Europe or under fascism in Germany and Italy in particular *Dickens's Nonfictional, Theatrical, and Poetical Writings* Robert Conrad Hanna, 2007 Focuses on what could be described as all the rest of Dickens's writings This book talks about the author's more than 2 000 annotated entries that identify nonfictional theatrical and poetical works by way of extant commentary since an eight year old Dickens's first play in 1820 **The Examiner**, 1854 **Booksellers**
