without a map You shouldn t either since your ship could wind up on the rocks Hypernomics gives you the means to create
market maps that show you where they have openings and how to fill them by giving customers what they want don t have
and can afford It finds their thresholds and limits and responses to every possible feature in any product you can offer The
interactions Hypernomics describes have been with us since the dawn of humanity Now you can finally see them and enjoy
the advantages your competitors do not have Validated by 13 published papers multiple awards a patent and customers such
as NASA Lockheed Martin Virgin Galactic and a restaurant down the street only Hypernomics gives you the ability to solve
