**If Walls Could Talk** Bernard Mavritte, 2022-09-02 If Walls Could Talk Some Need To Be Silenced But Some Speak Out Loud By Bernard Mavritte Ever since human beings have known how to build structures with walls a ceiling and some kind of roof the walls within those structures have witnessed so much If they were animate objects with eyes a mouth and ears they could say so much that could not be constrained within all the books upon the earth Those walls have witnessed the good the bad the joys and the sorrows They have seen things that those who live within the parameter of the walls would love to share with others and yet many occurrences that should never be revealed the deep secrets of our lives we are ashamed to reveal to others From our entrance on this earth until we depart the walls have seen it all In this autobiography memoir Bernard Mavritte reveals the good and the bad the joys and the sorrows in his own life a story that is full of life itself He shares how God has opened so many doors for him bringing him through his many trials If the walls in his life could talk some of them would need to be silenced but some would need to speak loudly

One woman s incredible true story as a survivor of partner abuse and the shocking murder that ended it all How could I have let this happen This was the torturous question circling through Sandee Jo Schankweiler s mind as flashing red and blue lights cast eerie images against the backdrop of trees surrounding her home in rural Tennessee In disbelief she watched as a police officer placed his hand on the top of her seventeen year old son s head to guide him into the back seat of a patrol car For years Sandee Jo had lived on Someday Isle Someday she would escape her abusive husband Tommy Someday her children would be safe Someday she would live free from fear But now her worst fears had come true Her husband Tommy lay dead

from a gunshot wound to the head He would terrorize his family no longer but their safety had come at an unimaginable price Sandee Jo watched as the police cruiser drove away into the night her gentle first born son's face expressionless through the window How could this have happened In this riveting memoir Sandee Jo Crocker shares her story to empower those enduring partner abuse to break free and to equip those who love them to advocate on their behalf as she shares dark secrets which previously could only have been revealed *If walls could talk* *If Walls Could Talk* Jill Pluquailec,2025-01-13 This short story takes place inside every school across the land Narrated by the walls of classrooms and corridors it tells the story of children's bodies saturated with the mundanity of curriculum policies and ways of being understood as neurodivergent in English school space *If Walls Could Talk Will They Tell of My Abuse* Juliet Johnson,2019-04-12 After hearing her friends speak saying that their male friend had been abused by his wife Marla asked Can men get abused too Kelly shouted out I knew it I knew it Marla dropped her head down and Kelly said I knew that you were carrying a lot of baggage You have been in an abusive relationship haven't you Marla dropped her head down Kelly walked over to where Marla was sitting and lifted her head up in her hand tears running down Marla's face Kelly said Don't hold your head down I was you at one time and now I'm a survivor People would hear and see that man beat me and not one time would they help me I ask the good Lord plenty of times what I did wrong to be treated like this and you know what he said He said I did nothing nothing wrong And I packed my bag the next week and left while he was at work Marla said in a low voice That's what I did I left while he was at work *The Show Must Go on ; Seeing Someone ; If Walls Could Talk* Laurence Klavan,1990 THE STORIES The first play THE SHOW MUST GO ON cleverly mixes up sitcoms and real life by presenting us with an ostensibly authentic suburban family in which all the members read their lines from a stilted and hilariously dismal script Trouble *If Walls Could Speak Mine Would Blush* Frank Murphy,2020-03-16 Unfiltered poet and writer Frank Murphy delivers a no nonsense full throttle book that pulls no punches writing about whiskey women and everything in between Delivering laughs with deep hard hitting writes about life If you like writing with an edge then you will dig this book
