Reading Claude Cahun's Disavowals JenniferL. Shaw,2017-07-05 The first monograph on a Surrealist cult classic *Reading Claude Cahun s Disavowals* offers a comprehensive account of Cahun s most important published work *Aveux non avenues Disavowals* 1930 Jennifer L Shaw provides an encompassing interpretation of this groundbreaking work paying careful attention to the complex interrelationship between the photomontages and writings of *Aveux non avenues* This study argues that the texts and images of *Aveux non avenues* not only explore Cahun s own subjectivity they formulate a trenchant social and cultural critique Shaw explores how Cahun s work both calls into question the dominant culture of interwar France with its traditional gender roles religious conservatism and pronatalism and takes to task the era s artistic avant garde and in particular its models of desire This volume cuts across the disciplinary boundaries of interwar art studies demonstrating how one artist s personal exploration intervened in wider contemporary debates about the purpose of art the role of women in French culture and the status of homosexuality in the aftermath of World War I

Soil and Stone Frances Fowle,2017-07-05 The Impressionists are world renowned for their vibrant depictions of the atmospheric effects and shimmering beauty of the French countryside These paintings often produced in Paris found an enthusiastic market in the city The inhabitants of that hub of modernity had an apparently paradoxical interest in the mythologies of rural living As the city became more and more the motive force of social change so the country was understood as the anchor of changelessness and nostalgia The essayists in this volume examine the complex relationship between country and city Their work draws widely on the contemporary culture exploring folklore and children s literature anarchism and urbanism and offers significant new insights into the work of major artists and writers including Courbet Millet Monet Van Gogh and Zola ...
