Theory of the Religious and Art Education in Contemporary Research Tomáš Jablonský, Dušan Kováč-Petrovský, 2014-03-26 L'uomo creato da Dio come unit tra materia e spirito per questo conoscenza e arte non possono prescindere da una dimensione di trascendenza. Tuttavia in una società dai contorni sempre più tecnologici l'educazione abbandona pian piano i connotati di conoscenza e apprendimento di valori etici e estetici svilendo le capacità di analisi critica dei giovani. Questo lavoro vuole presentare una serie di contributi sull'arte e la religione che possano colmare in parte tale lacuna dell'apprendimento al fine di orientare il lettore verso una nuova conoscenza.

Research Anthology on Music Education in the Digital Era Management Association, Information Resources, 2022-02-11 Music is a vital piece of life that not only allows individuals a chance to express themselves but also an opportunity for people and communities to come together. Music has evolved in recent years as society turns toward a digital era where content can be shared across the world at a rapid pace. Music education and how it is spread has a number of possibilities and opportunities in this new era as it has never been easier for people to access music and learn. Further study on the best practices of utilizing the digital age for music education is required to ensure its success. The Research Anthology on Music Education in the Digital Era discusses best practices and challenges in music education and considers how music has evolved throughout the years as society increasingly turns its attention to online learning. This comprehensive reference source also explores the implementation of music for learning in traditional classrooms.
