Simple Verses Ted Burbidge,1919 **Everybody's Right** Paolo Sorrentino,2011-09-27 An aging singer abandons Italy for South America as he struggles with the loss of his stardom in a Strega Prize nominated novel by the famed filmmaker Born on the streets and born singing Tony Pagoda has had his day But what a day it was He had fame money women and talent He spent his golden years entertaining a flourishing and garishly happy Italy His success stretched over borders and across the seas But somewhere things began to go awry the public s tastes in music first and foremost His band is now a shadow of its former self and his life is fraught with mundane but infuriating complications It s time to make a clean break with the past Following a brief tour in Brazil Tony decides to decamp and make a life for himself in South America Here his vision of the world shaped by those years in which he hobnobbed with Sinatra and enjoyed the adoration of audiences the world over is under assault Now that he has abandoned music the world strikes him as a barren place completely at odds with his understanding of it Tony s story is the story of a worldly yet strangely naive man forced to reconcile with life or lose himself entirely Tony s episodic account of his life is a nonstop onslaught of sex profanity high rolling and low dealing across decades A furious ironic idiosyncratic unexpurgated torrent capturing Italian modernity through the lens of a monstrous character Kirkus Reviews The vignettes that showcase Tony s moral ineptitude are decidedly entertaining Publishers Weekly

Mari Turner's life is perfect. That is at least to her thousands of followers who have helped her become an internet starlet. But when she breaks down and posts a video confessing she's been living a lie that she isn't the happy in love inspirational online personality she's been trying so hard to portray, it goes viral and she receives a major backlash. To get away from it all, she makes an impulsive decision to hike the entire John Muir Trail. Mari and her late cousin Bri were supposed to do it together to celebrate their shared eighteenth birthday. But that was before Mari got so wrapped up in her online world that she shut anyone out who questioned its worth, like Bri. With Bri's boots and trail diary, a heart full of regret, and a group of strangers that she meets along the way, Mari tries to navigate the difficult terrain of the hike. But the true challenge lies within as she searches for the way back from the girl she fears may be too lost to find herself.

The Beauty School Murder Reva Spiro Luxenberg, 2017-03-03. There are four suspects in the beauty school murder in Florida. Sadie Weinstein, the quirky amateur sleuth who owns a mom and pop grocery in Brooklyn with her husband Nathan, is the primary suspect. Sadie prevails upon her reluctant spouse to help her entrap the murderer while they are on a much-needed vacation. She also contacts Rhajmah, her psychic pickle-eating customer and friend, to help her unravel the enigma and keep her out of jail. She needs all her skill, energy, ingenuity, eccentricity, and Poirot-like grey cells to unravel the mystery. *The Beauty School Murder* is an expansion of an earlier version of the cozy mystery story *Curl Up and Die*. *Catalogue of Copyright Entries ... She keeps her distance from everyone, especially the arrogant, rich, and extremely handsome James Beaufort, ringleader of the school's party boys. When Ruby discovers a scandalous secret about the Beauforts, she is suddenly on James's radar. It only gets worse when James is forced to work with her to plan the school's annual gala. Yet the more time they spend together, the more they realize they share much more than they thought.
