makes it an ideal text for preservice teachers and students in education courses *Next Step Guided Reading in Action* Jan Richardson, 2013 Learn how to conduct targeted lessons that accelerate growth for readers in grades 3 and up Use assessment data to plan lessons and make teaching moves that give students the strategies they need to know to boost comprehension and tackle increasingly complex texts Includes correlation to CCSS

Preventing Misguided Reading Jan Miller Burkins, Melody M. Croft, 2017 Feeling exhausted after guided reading Are you working tirelessly while your students aren't even breaking a sweat Do you ever wonder if other teachers feel the same way you do about guided reading that it's not working the way you think it should You are not alone There seems to be much confusion surrounding guided reading the term even means something different from school to school Now you can turn to the 50 years of collective experience of authors Jan Burkins and Melody Croft to prevent guided reading from going astray in your classroom Jan and Melody present personal clarifications adaptations and supports that have helped them work through their own tricky parts as they guide readers The book's six chapters each clarify a misunderstanding about guided reading instruction in the following areas The teacher's role and the gradual release of responsibility Instructional reading level Text gradients Balanced instruction Integrated processing Assessment With 27 strategies you're sure to find the help you need to work through your own challenges as you guide groups of readers

Who's Doing the Work? Jan Miller Burkins, Kim Yaris, 2016 In their follow up to *Reading Wellness* Jan Burkins and Kim Yaris explore how some traditional scaffolding practices may actually rob students of important learning opportunities and independence *Who's Doing the Work* suggests ways to make small but powerful adjustments to instruction that hold students accountable for their own learning Educators everywhere are concerned about students whose reading development inexplicably plateaus as well as those who face challenging texts without applying the strategies they've been taught When such problems arise our instinct is to do more But when we summarize text before reading or guide students when they encounter difficult words are we leading them to depend on our support If we want students to use strategies independently Jan and Kim believe that we must question the ways our scaffolding is getting in the way Next generation reading instruction is responsive to students' needs and it develops readers who can integrate reading strategies without prompting from instructors In *Who's Doing The Work* Jan and Kim examine how instructional mainstays such as read aloud shared reading guided reading and independent reading look in classrooms where students do more of the work Classroom snapshots at the end of each chapter help translate the ideas in the book into practice *Who's Doing the Work* offers a vision for adjusting reading instruction to better align with the goal of creating independent proficient and joyful readers
