Kabbalah Denudata
de
Knorr von Rosenroth
Traduction de l'introduction de Mathers**

Note : ce texte est l'introduction de Mathers à sa traduction anglaise de la "Qabalah Denudata" de Knorr von Rosenroth, traduction latine, publiée en 1684, d'un ouvrage original hébreu, le Sefer Ha Zohar. L'ouvrage de Mathers est paru à Londres en 1888.

Ce texte nous semble réellement utile aux personnes désireuses d'entrer en contact avec la Kabbale. L'exposé de la doctrine est complet, clair, parfois difficile certes mais profond et juste, au contraire de nombre d'ouvrages aujourd'hui sur le marché.

Cette pseudo traduction ainsi que les intertitres et notes de bas de pages et adaptations sont du traducteur, Spartakus FreeMann. La première version de 1999 a été revue ce mois de septembre 2003 e.v. au zénith de Libertia.

¹ Pseudo traduction puisque son auteur n'est pas traducteur, mais aussi par le fait du travail d'adaptation.

The present work contains three principal books of the Zohar the key to the Kabalistic system The translation is principally taken from the Latin version of Knorr Von Rosenroth but also collated with the original Chaldee and Hebrew text and in many instances translated directly therefrom especially whenever the Latin rendering seemed unreliable From the Introduction

The first questions which the non qabalistical reader will probably ask are What is the Qabalah Who was its author What are its sub divisions What are its general teachings And why is a translation of it required at the present time I will answer the last question first At the present time a powerful wave of occult thought is spreading through society thinking men are beginning to awake to the fact that there are more things in heaven and earth than are dreamed of in their philosophy and last but not least it is now felt that the Bible which has been probably more misconstrued than any other book ever written contains numberless obscure and mysterious passages which are utterly unintelligible without some key wherewith to unlock their meaning THAT KEY IS GIVEN IN THE QABALAH Therefore this work should be of interest to every biblical and theological student Let every Christian ask himself this question How can I think to understand the Old Testament if I be ignorant of the construction put upon it by that nation whose sacred book it formed and if I know not the meaning of the Old Testament how can I expect to understand the New S L MacGregor Mathers **The Kabbalah Unveiled** ,1991 **The Kabbalah Unveiled** S.L.
