

# Call to Worship

Grace and peace to you in Jesus, radical story-teller of God's love,  
**And also with you.**

Praise be to Jesus who re-stories God's love,  
**In Jesus we repent of a God of control and embrace a  
God of compassion.**

A Mother-hen, not a fox. A Lamb, not a lion,  
**One who is known not by might but by wounds.**

Wounds of love,  
**A love that refuses to let this world go.**

A love that does not conscript us, forcing us to follow,  
**A love that gives us freedom – even freedom to walk away  
and act as if God were dead.**

Yet even then God looks upon us with compassion,  
**Expectantly waiting in love for us to return home.**

Judging ourselves unworthy to be called children of God,  
**God runs to embrace us while we are still far away.**

Judging our neighbours unworthy to be called children of God,  
**God weeps for joy, care-fully dresses them and sets out  
a feast for them.**

We come today as prodigals in solidarity with all prodigals every-  
where, in a process of either leaving or returning home.  
**May we know your compassion.**

We come today as elder siblings in solidarity with all elder siblings  
everywhere, in a process of either growing resentment or growing  
gratitude,  
**May we know your compassion.**

From now on, therefore, we regard no one from a human point  
of view of judgement,  
**Not our neighbour and not ourselves.**

For if anyone is in Christ, there is a new creation: everything  
has become new,  
**Our neighbour and ourselves. Amen.  
Thanks be to the God of Compassion.**

**Handbook for the Christian Faith** James M. Dawsey, 2023-08-15 Is religion disappearing from American life Less than 50 percent of Americans now hold membership in any religious institution and even fewer attend worship services The decline in Christian churches is especially pronounced among the young and cuts across all denominations But for Methodists and like minded Protestants concerns are deeper than shrinking denominational membership Polls show disconcerting ignorance about religious and spiritual matters even among churchgoers Our values as a society are in large measure molded by religion What shape will Protestant Christianity take in the twenty first century And of Methodism And beyond that what kind of community will we be Dawsey proposes returning to the roots of Christianity And with anecdotes and stories and a sweeping grasp of church history he examines those essential practices and beliefs necessary to revitalize American churches Key he argues is rediscovering Christianity as a philosophy of living John Wesley characterized the practice of religion as first doing no harm second doing good and third keeping the ordinances of faith Loving God and God s creation the doing of Christianity marks the path for becoming the churches and individuals Christians were called to be

**Religion in Sociological Perspective** Keith A. Roberts, David Yamane, 2015-07-18 This fully updated Sixth Edition of Religion in Sociological Perspective introduces students to the basic theories and methods in the field and shows them how to apply these analytic tools to new groups they encounter The authors explore three interdependent subsystems of religion meaning structure and belonging and their connections to the larger social structure While they cover the major theoretical paradigms of the field and employ various middle range theories to explore specific processes they use the open systems model as a single unifying framework to integrate the theories and enhance student understanding Contributor to the SAGE Teaching Innovations and Professional Development Award Find out more at [www.sagepub.com/sociologyaward](http://www.sagepub.com/sociologyaward) **Leading from the Table** Paul Galbreath, 2008-04-30 The communion table stands as an intersection between Word and Sacrament between memory and hope between pastor and congregation between receiving and serving and between community and individual Leading from the table says Paul Galbreath professor of preaching and worship is a way of thinking speaking acting and living that grows out of learning to recognize and embody these connections in our lives as a congregation and as

individuals Developing leadership skills that connect the congregation's eucharistic practice to the life and work of the church is essential to moving toward unity within congregations denominations and throughout the church This book is not a how to manual on presiding techniques however Rather this book is a series of reflections about the way the prayer at the communion table provides a pattern for our lives The goal is to shift our understanding of table prayer from a formula led by the pastor to a road map that highlights intersections between the practices at the table and the daily practices in the life of the community that gathers around the table **Michigan Christian Advocate** ,1918 **The Night I Came Out to God**

J. D. Waggy,2022-02-02 Denomination after denomination makes the news for the latest scandal or squabble around sexuality and identity and the same Bible verses get thrown around over and over In this mix of poetry and worship Waggy offers an invitation to conversation not about proving someone else wrong but about exploring the mystery of grace belonging and healing Written for Christians seeking to understand the LGBTQ community and for the community hoping to reclaim their Christian faith The Night I Came Out to God demonstrates that faithfulness has as many faces as the God it claims
