

How I Celebrate My Birthday

I was born on 24th January, eleven years ago. For me, it is the day when I am made to feel very important. I am busy sending invitation cards, arranging games and decorating the drawing room, on my birthday. I have left certain things entirely to my sister.

Last year, my father took me to an orphanage and had made me contribute money to their welfare fund. This year, he intends to take me to the school for the blind. My friends start arriving around 5 p.m. I welcome each one of them with warmth and make them sit comfortably in the drawing room that is beautifully decorated. They bring gifts for me, nicely packed in coloured wrappers.

The lengthening shadows of the evening remind us that we have to wind up. Those friends who come from far- off places, start taking leave. It is the turn of my father to drive me to a charity home, school for the disabled or a hospital in the city.

My Birthday Essay For Kids:

Speed Learning for Kids Bill Handley, 2012-10-22 Proven strategies to help kids learn faster and better from bestselling author Bill Handley Kids who succeed at school aren't necessarily smarter than other kids Often they're simply better at learning Speed Learning for Kids helps you teach your child how to thrive at school by learning more in less time with less effort The brain training techniques in this book will enable kids to not just learn faster but enjoy their learning memorise as they go and absorb as much in ten minutes as they normally would in two hours of study How is it possible These nontraditional techniques aren't mysterious they're just not often taught Any child can learn how to learn and the results really matter with improved concentration better short and long term memory more creative thinking and better reading comprehension skills Includes study techniques that replace rote learning to achieve better test results on everything from spelling tests to NAPLAN and scholarship and entrance exams Written by Bill Handley author of the bestselling books Teach Your Children Tables and Speed Maths for Kids Features brain training techniques that will not only improve school performance but also improve problem solving and creative thinking for long term career success If you want to give your kids a boost in school Speed Learning for Kids offers proven effective strategies and techniques that lead to success in the classroom and beyond

Popular Science, 1997-04 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better

Wild Kids Ta-chun Chang, 2000-08-31 These two searingly funny and unsettling portraits of teenagers beyond the control and largely beneath the notice of adults in 1980s Taiwan are the first English translations of works by Taiwan's most famous and best-selling literary cult figure Chang Ta-chun's intricate narrative and keen ironic sense of humor poignantly and piercingly convey the disillusionment and cynicism of modern Taiwanese youth Interweaving the events between the birth of the narrator's younger sister and her abortion at the age of nineteen the first novel My Kid Sister evokes the complex emotional impressions of youth and the often bizarre social dilemmas of adolescence Combining discussions of fate existentialism sexual awakening and everyday absurdities in a typically dysfunctional household it documents the loss of innocence and the deconstruction of a family In Wild Child fourteen-year-old Hou Shichun drops out of school runs away from home and descends into the Taiwanese underworld where he encounters an oddball assortment of similarly lost adolescents in desperate circumstances This novel will inevitably invite comparisons with the classic The Catcher in the Rye but unlike Holden Caulfield Hou isn't given any second chances With characteristic frankness and irony Chang's teenagers bear witness to a new form of cultural and spiritual bankruptcy

How to Talk to Kids About Anything Robyn Silverman PhD, 2023-10-10 THE NATIONAL BESTSELLER A step-by-step guide to answering your kids' toughest questions When people die where do they go Why is her skin darker than mine But how does the baby get in there Don't panic While we know that

the first step to connecting deeply with our kids is being able to communicate empathize and answer their biggest queries what do you do when that tricky to answer question comes out of the blue Sometimes we just don't know what to say so we simply change the subject or give a quick throwaway answer and hope it doesn't come up again Dr Robyn Silverman host of the How to Talk to Kids About Anything Parenting Podcast gets it A child development specialist and mom she'll stick with you every step of the way In this book Dr Robyn takes you through the whole spectrum of kids' curious questions giving you the strategies and scripts to prepare you for life's most challenging conversations That way your kids get age appropriate information straight from you their trusted source rather than from peers the media or the internet You'll learn how to develop calm well thought out answers to tricky questions on subjects including Death Sex Friendship Divorce Money And more Drawing on the expertise of dozens of well known experts Dr Robyn's decades of working with children and teens and her personal experience as a mom How to Talk to Kids About Anything is a vital resource for parents who value having honest meaningful conversations with their kids When you just can't find the right words this book will be your guide to talking to your kids about anything as they grow from toddlers to teens and beyond Makes for a thoughtful gift for new parents

Double Identity Margaret Peterson Haddix, 2008-06-20 So my only protection is a kindergarten teacher and a ninety eight pound female minister And they don't even believe I'm in danger As Bethany approaches her thirteenth birthday her parents begin acting more oddly than usual Her mother cries constantly and her father barely lets Bethany out of his sight Then one morning he hustles the entire family into the car drives across several state lines and leaves Bethany with an aunt she never knew existed Bethany has no idea what's going on She's worried that her mom and dad are running from some kind of trouble but she can't find out because they won't tell her where they are going Bethany's only clue is a few words she overheard her father tell her aunt Myrlie She doesn't know anything about Elizabeth But Aunt Myrlie won't tell Bethany who Elizabeth is and she won't explain why people in her small town react to Bethany as if they've seen a ghost The mystery intensifies when Bethany gets a package from her father containing four different birth certificates from four states with four different last names and thousands of dollars in cash And when a strange man shows up asking questions Bethany realizes she's not the only one who's desperate to unravel the secrets of her past In this exhilarating thriller Margaret Peterson Haddix crafts a taut story so full of twists and turns readers will be gripped until the startling conclusion
