Faith Beyond Reason Ten Sermons From The Gospel Of John:

Shining Garment of the Text Alison Jasper,1998-09-01 Taking the prologue of John s Gospel as a case study in feminist biblical criticism the author engages with a persistent view that the biblical text is seriously compromised by its association with patriarchal values Close analysis of five interpretations by Augustine Hildegard von Bingen Martin Luther Adrienne von Speyr and Rudolf Bultmann shows how unavoidably interpretation clothes the biblical text with the varied and dazzling patterns of the patriarchal reading context But in a second turn drawing on the techniques of both structuralist criticism and deconstruction and offering three further inventive readings of this powerful passage Jasper reflects woman and the feminine in the shining garment of her own contextualized reading **Book 6 Biblical Faith HC** Kurt Jurgensmeier,2012-10-29

Faith is a vital topic in Christian theology However the concept is more complex than is assumed John Stott writes One wonders if there is any Christian quality more misunderstood than faith We demonstrate that Scripture uses faith in a variety of ways including saving faith false faith miracle faith empowering faith and visionary faith Failure to recognize this leads to serious error in both Arminianism and charismaticism Included is an extended section on visionary faith that enables us to step out in courage taking risks to pursue human plans to fulfill God s commands In our defense of the fact that biblical faith must rest on biblical revelation we critique the inclusivism of John Wesley Billy Graham and C S Lewis which claims salvation can be apart from a revelation of the Gospel Finally we demonstrate that the strength of our faith depends on reason and the evidences it perceives and evaluates There is no such thing as a biblical leap of faith apart from reason **Whitaker's Book**

List ,1987 **Justified Faith without Reasons?** Valentin Teodorescu,2023-11-06 This study intends to show that the answer to the question whether faith can be justified without proofs can be resolved by importing ideas from S ren Kierkegaard s and Alvin Plantinga s affirmative take on the matter There is a deep similarity between the way they understand belief in God and belief in Christianity The authors share the modern idea that there is an objective truth combining it with the postmodern stance that no method exists which would guarantee access to it One can see at both authors not only a deep commonality of ideas but also a remarkable way in which their understandings augment each other Whereas Kierkegaard comes to the provocative conclusion that if a person wants to live authentically she will meet Christ on her life s journey without needing any proof Plantinga s inquiry contributes to the rational plausibility of this Justified Faith without Reasons project Faith Beyond Reason A. W. Tozer,1989 In these 10 sermons based on the Gospel of John Tozer explores how faith in God transforms the ordinary into something unimaginable a realm where things are possible only with God

Here is a solid foundation for preaching the good news as if God was living Jesus was resurrected and the Holy Spirit was faithfully at work among us Books of 1926(-1928). Cumulated from the Book Bulletin of the Chicago Public Library CHICAGO. Chicago Public Library,1928 *Practicing Midrash* F. Timothy Moore,2018-07-24 Have you ever been puzzled by contradictions in the Bible Or wondered why there are four Gospels three sets of Ten Commandments or two creation stories at the beginning of Genesis Beginning with the first pages of Genesis the Bible tells most of its stories through multiple versions which contain both similarities and disagreements The inherent arguments in Scripture did not seem to bother the Jewish faith A practice called midrash developed in Judaism sometime before the days of Jesus Rabbis and scholars sparred over opposing passages developed theological arguments and filled gaps in biblical stories with their own understandings This book will use the threefold prayer of St John of the Cross to allow the divergent voices in Scripture to speak and practice midrash with each other enabling the reader to join the conversation The contradictions and arguments have a divine purpose Not only did they prompt the Bible s evolution over hundreds of years but have enabled it to remain a living word for thousands of years This pluralism in the Bible is good news for the faithful living in a multi cultural pluralistic age

Mascord,2025-02-06 An Honest Faith tackles the thorny question of whether Christian faith is compatible with the questing and questioning spirit of philosophy The author argues that a mutually productive friendship between Athens philosophy science and Jerusalem theology faith is possible and in fact necessary given that various forms of the faith resist questioning and therefore end up holding onto outdated unsupported and damaging beliefs for example on matters of gender and sexuality The author draws upon his own experiences in the conservative Anglican Diocese of Sydney and his teaching career in philosophy to issue a challenge to Christians to have an honest faith and not hold back from the quest for answers which lies at the heart of religion philosophy and science The book s first half which can be characterized as an exercise in faith deconstruction lays out a number of the more serious challenges to historic or traditional Christian faith while noting its rapid demise in Australia the US the UK and throughout the Western world The book s second half recommends a careful reconstruction or reformation of the faith *Exalting Jesus in John* Matt Carter,Josh Wredberg,2017-11-01 *Exalting Jesus in John* is part of the Christ Centered Exposition Commentary series Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their
