[The Authentic Dissertation](#) Donald Trent Jacobs, 2009-05-07 The Authentic Dissertation is a road map for students who want to make their dissertation more than a series of hoop jumping machinations that cause them to lose the vitality and meaningfulness of their research Students and tutors are presented with practical guidance for the kind of alternative dissertations that many educators believe are needed to move Doctoral and Master's level work beyond the limitations that currently stifle authentic contributions for a better world Drawing on his Cherokee Creek ancestry and the Raramuri shamans of Mexico the author explores how research can regain its humanist core and find its true place in the natural order once more Four Arrows provides a degree of credibility that will help graduate students legitimize their ideas in the eyes of more conservative university committees This inspiring book will also help academics who sincerely want to see these alternative forms but are concerned about the rigor of alternative dissertation research and presentation The featured dissertation stories tap into more diverse perspectives more authentic experience and reflection and more creative

abilities They are in essence spiritual undertakings that Honour the centrality of the researcher's voice experience creativity and authority Focus more on important questions than on research methodologies per se Reveal virtues generosity patience courage respect humility fortitude etc Regard the people's version of reality The goal of this book is not to replace the historical values of academic research in the western tradition but to challenge some of these values and offer alternative ideas that stem from different sometimes opposing values

How To Write A Better Thesis: 3rd Edition Paul

Gruba, Justin Zobel, David Evans, 2011-12-01 Revised updated and more useful than ever If you are writing a thesis whether edging towards it wrestling with it or just plain stuck this sensible thoroughly practical book is bound to help As in the hugely successful previous editions the emphasis is still firmly on structure Having supervised countless postgraduate students and seen all the pitfalls the authors are convinced that clear and logical structure is the key to a good thesis Concrete examples of common structural problems are given and offer numerous devices tricks and tests by which to avoid them You may be one of the many researchers who has yet to discover just how much computer software can do for you This book spells it out clearly and offers checklists to help you stay on track The revolution it highlights is that the smart researcher can now treat writing not as the last chore but as part of the research process itself *The Mature Student's Handbook* Lucinda

Becker, 2017-09-16 A practical guide allowing mature students to build on their strengths and overcome challenges Includes worked examples exercises and space for recording strategies and successes Covers areas such as lectures seminars reading and note taking presentations writing exams time management finance and careers
