Introduction When Indian history writer Vinayak Chandra Datta wrote the Kama Sutra a few thousand years ago there was no way he could have anticipated the modern world. Now the words Kama Sutra are a synonym for sex. A number of outlets have used Kama Sutra to get crazy with the virtual Cosmo Kama Sutra to the highly unauthorized Red Star Wars Kama Sutra on kamasutra.com and you will find a man specializing in luxury romance and entertainment. I don't know if it seems strange that a 2000 year old text is still so relevant in our erotic market. It is a stranger when you realize that the Kama Sutra is not actually about sex. Unlike the modern sex manuals that bear the name of the original Kama Sutra a philosophical text offering much more than a few words of advice and fruitful to the extent that it is a sex manual it is a much broader view from the notion of sex and its various positions and the human relationship. Of our generation the 2000 year old text is a very heteronormative while our modern men and women do make room for the text that the reader's sexual orientation will be a heterosexual one [Kama Sutra \[electronic Resource\]](#) Vātsyāyana,2004
