Kant S Politics In Context

Christopher Yeomans

Kant S Politics In Context:

Kant's Politics in Context Reidar Maliks, 2014 Kant's Politics in Context is the first book length contextual study of Kant's legal and political philosophy. It gives an account of the development of his thought before, during and after the French revolution. The book argues that Kant provided a philosophical defence of the revolution's liberal ideals while aiming to avoid the twin dangers of anarchy and despotism. Central to this was a concept of freedom as non-domination constituted by legal rights and duties within a state. The close connection between freedom and the rule of law accounts for the centrality of the state in Kant's liberalism. Understanding Kant's political philosophy poses difficulties that can be resolved by paying attention to the high stakes debates in Germany during the 1790s of which it was a part. Kant's theory of politics was not the result of dispassionate academic reasoning but crystallized in polemical interventions against his conservative and radical critics in debates about freedom, political rights, revolution and international law. By revealing the neglected origins of Kant's political concepts, this book explains their meaning as well as their relevance to current debates in political philosophy.

Kant's Early Followers in Political Philosophy Reidar Maliks, Elisabeth Theresia Widmer, 2025-06-27 Immanuel Kant influenced a large and productive group of political philosophers in the 1790s. This volume argues that they brought out more fully the egalitarian principles of Kantian republicanism. The Kantian school featured young philosophers including Saul Ascher, Johann Adam Bergk, Johann Benjamin Erhard, Johann Ludwig Ewald, the early Johann Gottlieb Fichte, Friedrich Schlegel and Johann Heinrich Tieftrunk. The chapters in this volume analyze their work in relation to Kant and their wider philosophical and political context. They advance three main theses. First, the Kantians defended popular sovereignty and several of them supported the extension of the right to vote to workers and women. Second, several of them developed a political perfectionism, the view that equal political rights are justified for their effects on cultivating moral character. Third, they developed sophisticated theories of state legitimacy and collective action, defending a people's right to change their constitution either through reform or through revolution. *Kant's Early Followers in Political Philosophy* offers a systematic view into a neglected group of thinkers at a foundational moment for modern political thought. It will be of interest to scholars and graduate students working on Kant, eighteenth century philosophy, political philosophy and the history of early modern German political thought.

Kant's Political Theory Elisabeth Ellis, 2012-07-31 Past interpreters of Kant's thought seldom viewed his writings on politics as having much importance, especially in comparison with his writings on ethics, which along with his major works such as the *Critique of Pure Reason* received the lion's share of attention. But in recent years a new generation of scholars has revived interest in what Kant had to say about politics. From a position of engagement with today's most pressing questions, this volume of essays offers a comprehensive introduction to Kant's often misunderstood political thought. Covering the full range of sources of Kant's political theory, including not only the *Doctrine of Right*, the *Critiques* and the political essays but also Kant's lectures and minor writings, the volume's distinguished contributors

demonstrate that Kant's philosophy offers compelling positions that continue to inspire the best thinking on politics today. Aside from the editor, the contributors are Michael Ferguson, Louis Philippe Hodgson, Ian Hunter, John Christian Laursen, Mika LaVaque-Manty, Onora O'Neill, Thomas W. Pogge, Arthur Ripstein, and Robert S. Taylor. Kant's Tribunal of Reason Sofie Møller, 2020-03-05. This is the first book-length study in English of Kant's legal metaphors whose philosophical importance has so far been overlooked. It will appeal to academic researchers and advanced students of Kant, early modern philosophy, legal philosophy, and intellectual history.

Kant, Critique and Politics Kimberly Hutchings, 2013-01-11. Why does the ghost of Kant continue to haunt contemporary critical theory? Kant Critique and Politics examines the influence of Kantian critique on the work of such major and diverse theorists as Habermas, Arendt, Foucault, and Lyotard. It offers an entirely new reading of Kant, challenging the orthodox distinctions between modernist and postmodernist theorizing by illuminating how Kant's influence continues to structure critical debate. This is the first book to offer both a systematic reading of Kant and to contextualise his work in the light of the continental tradition. It will be central to political philosophers and students of international relations and feminist theory.

The Political Implications of Kant's Theory of Knowledge G. Lahat, 2013-10-29. Based on an insightful and innovative reading of Kant's theory of knowledge, this book explores the political implications of Kant's philosophical writings on knowledge. It suggests that Kant offers a stable foundation for the reconsideration of the idea of progress as crucial in matters of political management at the outset of the 21st Century.

Passions, Politics and the Limits of Society Heikki Haara, Koen Stapelbroek, Mikko Immanen, 2020-08-24. The 1st part of the volume engages with the theme of inclusion and exclusion in the history of ideas from different perspectives. The 2nd part of the volume discusses debates on natural law, human nature, and political economy in early modern Europe. Its contributions explore the sorts of political and moral visions that were relevant in post-Hobbesian moral philosophy and the development of economic thought.

Politics and Teleology in Kant Tatiana Patrone, Paul Formosa, Avery Goldman, 2014-04-15. This volume critically examines and elucidates the complex relationship between politics and teleology in Kant's philosophical system. Examining this relationship is of key philosophical importance since Kant develops his political philosophy in the context of a teleological conception of the purposiveness of both nature and human history. Kant's approach poses the dual task of reconciling his normative political theory with both his priori moral philosophy and his teleological philosophy of nature and human history. The fourteen essays in this volume, by leading scholars in the field, explore the relationship between teleology and politics from multiple perspectives. Together, the essays explore Kant's normative political theory and legal philosophy, his cosmopolitanism and views on international relations, his theory of history, his theory of natural teleology, and the broader relationship between morality, history, nature, and politics in Kant's works. This important new volume will be of interest to a wide audience, including Kant scholars, scholars and students working on topics in moral and political philosophy, the philosophy of history, political theory, and political science, legal scholars, and international

relations theorists as well as those interested broadly in the history of ideas

Kant's Nonideal Theory of Politics Dilek Huseyinzadegan, 2019-04-15 Kant's Nonideal Theory of Politics argues that Kant's political thought must be understood by reference to his philosophy of history, cultural anthropology and geography. The central thesis of the book is that Kant's assessment of the politically salient features of history, culture and geography generates a nonideal theory of politics which supplements his well-known ideal theory of cosmopolitanism. This novel analysis thus challenges the common assumption that an ideal theory of cosmopolitanism constitutes Kant's sole political legacy. Dilek Huseyinzadegan demonstrates that Kant employs a teleological worldview throughout his political writings as a means of grappling with the pressing issues of multiplicity, diversity and plurality issues that confront us to this day. Kant's Nonideal Theory of Politics is the first book-length treatment of Kant's political thought that gives full attention to the role that history, anthropology and geography play in his mainstream political writings. Interweaving close textual analyses of Kant's writings with more contemporary political frameworks, this book also makes Kant accessible and responsive to fields other than philosophy. As such, it will be of interest to students and scholars working at the intersections of political theory, feminism, critical race theory and post and decolonial thought.

The Politics of German Idealism Christopher Yeomans, 2023 The Politics of German Idealism reconstructs the political philosophies of Kant, Fichte and Hegel against the background of their social-historical context. It aims to connect their abstract doctrines to particular social changes taking place at the time and to profile each of their views against the others.

Kant and the Problem of Politics Luigi Caranti, Alessandro Pinzani, 2022-07-18 This book examines the significance of Kant's political philosophy in the context of contemporary philosophical and political debates. In the last few decades, Kantian specialists have increasingly manifested a purely exegetic and philological interest in Kant's oeuvre, while contemporary philosophers and scientists tend to use Kant with scant hermeneutical care, thus misrepresenting or misunderstanding his positions. This volume countervails these tendencies by focusing more on specific themes of contemporary relevance in Kant's writings. It looks to Kant's political thought for insight on tackling issues such as freedom of speech, democracy and populism, intergenerational justice, economic inequality, money, poverty, international justice and gender feminism. Featuring readings by well-known Kant specialists and emerging scholars with unorthodox approaches to Kant's philosophy, the volume fills a significant gap in the existing scholarship on the philosopher and his works. It will be of great interest to scholars and researchers of philosophy, politics and ethics.

Kant, Religion, and Politics James DiCenso, 2011-08-18 This book offers a systematic examination of the place of religion within Kant's major writings. Kant is often thought to be highly reductionistic with regard to religion, as though religion simply provides the unsophisticated with colourful representations of moral lessons that reason alone could grasp. James DiCenso's rich and innovative discussion shows how Kant's theory of religion, in fact, emerges directly from his epistemology, ethics and political theory, and how it serves his larger political and ethical projects of restructuring institutions and modifying political attitudes towards greater

autonomy It also illustrates the continuing relevance of Kant's ideas for addressing issues of religion and politics that remain pressing in the contemporary world such as just laws transparency in the public sphere and other ethical and political concerns The book will be valuable for a wide range of readers who are interested in Kant's thought **Kant: Political Writings** Immanuel Kant, 1991-01-25 The original edition of Kant Political Writings was first published in 1970 and has long been established as the principal English language edition of this important body of writing In this new expanded edition two important texts illustrating Kant's view of history are included for the first time his reviews of Herder's *Ideas on the Philosophy of The History of Mankind* and *Conjectures on the Beginning of Human History* as well as the essay *What is Orientation in Thinking* In addition to a general introduction assessing Kant's political thought in terms of his fundamental principles of politics this edition also contains such useful student aids as notes on the texts a comprehensive bibliography and a new postscript looking at some of the principal issues in Kantian scholarship that have arisen since first publication

Kant and Modern Political Philosophy Katrin Flikschuh, 2000-08-28 In this book Katrin Flikschuh examines the relevance of Kant's political thought to major issues and problems in contemporary political philosophy She advances and defends two principal claims that Kant's philosophy of Right endorses the role of metaphysics in political thinking in contrast to its generally hostile reception in the field today and that his account of political obligation is cosmopolitan in its inception assigning priority to the global rather than the domestic context She shows how Kant's metaphysics of freedom as a shared idea of practical reason underlies the cosmopolitan scope of his theory of justice and she concludes that despite the revival of Kantianism in contemporary thinking his account of justice is in many respects very different from dominant approaches in contemporary liberal theory Her study will be of interest to political philosophers political theorists and historians of ideas

Kant's Politics in Context Reidar Maliks, 2014 Argues that Kant provided a philosophical defense of the revolution's liberal ideals while aiming to avoid the twin dangers of anarchy and despotism Central to this was a concept of freedom as non domination constituted by legal rights and duties within a state **Politics and Metaphysics in Kant** Sorin

Baiasu, Sami Pihlström, Howard Williams, 2011-05-15 The past three decades have witnessed the emergence of several Kantian theories Both the critical reaction to consequentialism inspired by Rawlsian constructivism and the universalism of more recent theories informed by Habermasian discourse ethics trace their main sources of inspiration back to Kant's writings **Globalization and Political Ethics** Richard B. Day, Joseph Masciulli, 2007 This book measures the current

institutional and political realities surrounding globalization against philosophical ideals Though the contributors share no particular orthodoxy they do share the conviction that human responsibility is possible in circumstances that often appear to deny human agency *Kant's Metaphysics of Morals* Mark Timmons, 2002 Studies of Kant's moral and political philosophy have increasingly focused on his last major work in ethics *The Metaphysics of Morals* This work is here discussed in seventeen essays by leading contemporary Kant scholars most of them specially written for this volume They cover a broad

range of topics including Kant's views on rights punishment contract practical reasoning revolution freedom virtue legislation happiness moral judgement love respect duties to oneself and motivation This is the only book devoted entirely to The Metaphysics of Morals and is not just a landmark in Kant studies but also a significant contribution to contemporary moral and political philosophy

Kant's International Relations Sean Patrick Molloy, 2019-01-23 Why does Immanuel Kant 1724-1804 consistently invoke God and Providence in his most prominent texts relating to international politics In this wide ranging study Sean Molloy proposes that texts such as Idea for a Universal History with Cosmopolitan Intent and Toward Perpetual Peace cannot be fully understood without reference to Kant's wider philosophical projects and in particular the role that belief in God plays within critical philosophy and Kant's inquiries into anthropology politics and theology Molloy's broader view reveals the political theological dimensions of Kant's thought as directly related to his attempts to find a new basis for metaphysics in the sacrifice of knowledge to make room for faith This book is certain to generate controversy Kant is hailed as the greatest of all theorists in the field of International Relations IR in particular he has been acknowledged as the forefather of Cosmopolitanism and Democratic Peace Theory Yet Molloy charges that this understanding of Kant is based on misinterpretation neglect of particular texts and failure to recognize Kant's ambivalences and ambiguities Molloy's return to Kant's texts forces devotees of Cosmopolitanism and other Kantian schools of thought in IR to critically assess their relationship with their supposed forebear ultimately they will be compelled to seek different philosophical origins or to find some way to accommodate the complexity and the decisively nonsecular aspects of Kant's ideas

The Politics of Belonging Alain Dieckhoff, 2004-01-01 The Politics of Belonging represents an innovative collaboration between political theorists and political scientists for the purposes of investigating the liberal and pluralistic traditions of nationalism Alain Dieckhoff introduces an indispensable collection of work for anyone dealing with questions of identity ethnicity and nationalism

This is likewise one of the factors by obtaining the soft documents of this **Kant S Politics In Context** by online. You might not require more grow old to spend to go to the ebook instigation as competently as search for them. Kant S Politics In Context Introduction

In the digital age, access to information has become easier than ever before. The ability to download Kant S Politics In Context has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Kant S Politics In Context has opened up a world of possibilities. Downloading Kant S Politics In Context provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Kant S Politics In Context has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Kant S Politics In Context. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Kant S Politics In Context. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Kant S Politics In

Context, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Kant S Politics In Context has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Kant S Politics In Context Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Kant S Politics In Context is one of the best book in our library for free trial. We provide copy of Kant S Politics In Context in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Kant S Politics In Context. Where to download Kant S Politics In Context online for free? Are you looking for Kant S Politics In Context PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Kant S Politics In Context. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Kant S Politics In Context are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for

someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Kant S Politics In Context. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Kant S Politics In Context To get started finding Kant S Politics In Context, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Kant S Politics In Context So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Kant S Politics In Context. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Kant S Politics In Context, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Kant S Politics In Context is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Kant S Politics In Context is universally compatible with any devices to read.
