Research Perspectives on Social Media Influencers and Brand Communication Brandi

Watkins,2020-11-12 Research Perspectives on Social Media Influencers and Brand Communication examines the myriad ways in which social media and the unique characteristics of the internet have changed brand communication for both brands and consumers focusing on the social media influencer as a brand communicator As brands have noticed the rise of social media influencers as tastemakers and leaders in public opinion they have increasingly begun to incorporate social media influencers into their brand communication strategies Each chapter of this book represents a unique theoretical and methodological approach to examining the emergence and growing legitimacy of the social media influencer as a brand communicator from a variety of perspectives and contexts discussing challenges and opportunities afforded to brands by social media influencers and providing an overview of the current research on the use of these branding approaches Scholars of media studies communication and marketing will find this book particularly useful

The Routledge Companion to Asian American Media Lori Lopez,Vincent Pham,2017-02-24 The Routledge Companion to Asian American Media offers readers a comprehensive examination of the way that Asian Americans have engaged with media from the long history of Asian American actors and stories that have been featured in mainstream film and television to the birth and development of a distinctly Asian American cinema to the ever shifting frontiers of Asian American digital media Contributor essays focus on new approaches to the study of Asian American media including explorations of transnational and diasporic media studies of intersectional identities encompassed by queer or mixed race Asian Americans and examinations of new media practices that challenge notions of representation participation and community Expertly organized to represent work across disciplines this companion is an essential reference for the study of Asian American media and cultural studies

Media, Power and Empowerment Tereza Pavlíčková,Irena Reifová,2014-10-16 This collection brings together 71 papers by 83 authors from 20 countries presented at the 5th Central and Eastern European Communication and Media Conference titled Media Power and Empowerment in Prague Czech Republic in April 2012 It maps out trends in CEE media research across the entire region and

provides insight into the broad span of relevant topics The contributors to the volume successfully voice the multiple yet specific questions relevant to the CEE countries the papers offer original research results to the reader and invite them to participate in further debate on CEE media and communications research To date there have not been many publications dedicated to outlining the media and communications research interests across the region This collection shows that the countries of the region indeed have a lot in common historically politically and socially while also discussing the differences among them including the multiple political particularities within the unifying label the East and variations in the transformation process and the consequences for concerned societies and their media scenes as well as the individual lived experiences of the people of the CEE countries

Facebook Steven Levy,2020 From renowned tech writer Steven Levy the definitive history of one of America s most powerful and controversial companies Facebook In his sophomore year of college Mark Zuckerberg created a simple website to serve as a campus social network The site caught on like wildfire and soon students nationwide were on Facebook Today Facebook is nearly unrecognizable from Zuckerberg s first modest iteration It has grown into a tech giant the largest social media platform and one of the most gargantuan companies in the world with a valuation of more than 576 billion and almost 3 billion users There is no denying the power and omnipresence of Facebook in American daily life And in light of recent controversies surrounding election influencing fake news accounts the handling of its users personal data and growing discontent with the actions of its founder and CEO never has the company been more central to the national conversation Based on years of exclusive reporting and interviews with Facebook s key executives and employees including Mark Zuckerberg and Sheryl Sandberg Steven Levy s sweeping narrative digs deep into the whole story of the company that has changed the world and reaped the consequences

Citizenship and the Diaspora in the Digital Age Toyin Falola,2023-05-22 In Citizenship and the Diaspora in the Digital Age Farooq Kperogi and the Virtual Community Toyin Falola examines how the members of the Nigerian diaspora create a virtual community and

instrumentalize the digital age to speak about the nation and its failures possibilities and promises This book depicts individuals relationships with society and how the world s progressive shift toward technology and globalization does not disregard the concept of society and its members As a result of this shift people have been migrating to new places without giving up their citizenship in their home countries This book explores how migrants are focused on the idea of a virtual community examines how citizens roles have evolved through time and displays society s essential principles in this light Furthermore it evaluates social commentaries enhanced by the dynamics of the digital age such as societal issues like education in Nigeria the question of democracy challenges facing the country and the development of a national language Many of these societal challenges are examined in this book from the perspective of Farooq Kperogi who has conducted extensive studies and published on the above themes This is balanced against emerging facts Nigerians positions and disregarded realities Kperogi s relentless writings on Nigeria make him a preeminent figure whose positions are valuable to the understanding of modern Nigeria

Sharing News Online Fiona Martin,Tim Dwyer,2019-07-16 This book explores the political economics and cultural politics of social media news sharing investigating how it is changing journalism and the news media internationally News sharing plays important economic and cultural roles in an attention economy recommending the stories audiences find valuable making them more visible and promoting the digital platforms that are reshaping our media ecologies But is news sharing a force for democracy or a sign of journalism s declining power to set news agendas In Sharing News Online Tim Dwyer and Fiona Martin analyse the growth of commendary culture and the business of social news critique the rise of news analytics and dissect virality online They reveal that surprisingly we share political stories more highly than celebrity news and they probe how deeply affect drives our sharing behaviour In mapping the contours of a critical digital media phenomenon this book makes essential reading for scholars journalists and media executives
