literacy actively engages preservice and practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own students in middle and high school classrooms. Rather than passively learning about strategies for incorporating content area literacy activities, readers get hands-on experience in such techniques as mapping, webbing, anticipation guides, booktalks, class websites, and journal writing and reflection. Readers also learn how to integrate children's and young adult literature, primary sources, biographies, essays, poetry, and online content communities and websites into their classrooms. Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students' content area learning. Author Sharon Kane demonstrates how relevant reading, writing, speaking, listening, and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks.

Writing the Novella Sharon Oard Warner, 2021-03 Winner of the Bronze Medal for Writing Publishing in the 2022 Independent Publisher IPPY Book Awards. A novella compresses the world with a short story's focus but it explores that smaller space with a novel's generosity. Josh Weil, author of *The New Valley Novellas*. While the novella has existed as a distinct literary form for over four hundred years, *Writing the Novella* is the first craft book dedicated to creating this intermediate length fiction. Innovative integrated journal prompts inspire and sustain the creative process and classic novellas serve as examples throughout. Part 1 defines the novella form and steers early decision making on situation, character, plot, and point of view. Part 2 provides detailed directions for writing the scenic plot points that support a strong but flexible narrative arc. Appendix materials include a list of recommended novellas, publishing opportunities, and blank templates for the story map, graphs, and charts used throughout the book. By turns instructive and inspirational, *Writing the Novella* will be a welcome resource for new and experienced writers alike.

**Fostering Comprehension in English Classes** Raymond Philpott, Michael F. Graves, 2009-01-01 This valuable research-based guide gives middle and secondary English teachers the tools they need to improve the comprehension skills of all their students. Core chapters explain specific practices for fostering learning from texts, leading students to a thorough, lasting understanding of subject matter, nurturing meaningful responses to literature, explicitly teaching comprehension strategies, and engaging students in higher-order thinking. An additional chapter highlights vocabulary instruction. Throughout, attention is given to building comprehension skills in a diverse range of students, from high achievers to struggling readers and English language learners. A wealth of hands-on materials are featured, including lesson plans, scaffolded reading experiences, and a richly detailed example of a teaching unit that shows how all facets of comprehension instruction can be brought together in the classroom.

Study Guide Nerissa Marcon, 2019-07-06 This small book contains two study guides on *Fahrenheit 451* by Ray Bradbury and *Spies* by Michael Frayn.
