Daisy: Not Your Average Super-sleuth! The First Bundle R T Green,2023-11-11 It all begins with a rose bush mysteriously uprooted in the middle of the night revealing a horrific secret If you ve not met our R E D Retired Extremely Daisy heroine yet the first bundle is a great way to get to know her and the hit series Three full books for less than the price of two Daisy moved to a village a few miles from Kings Lynn in Norfolk a year ago after a very unfortunate incident in London made her decide village life was the best option She s adapted to country life quite well although she rather irreverently refers to the village of Great Wiltingham as the place people go to wilt She does have a wicked side after all One of the best cozy mystery

series I've ever read. A real breath of fresh literary air. In the first book, after some strange goings on and a murder in the village, Daisy and Aidan, together with a young police woman called Sarah, whose curiosity gets the better of her, set about solving the mystery. It all begins with a rose bush mysteriously uprooted in the middle of the night, revealing a horrific secret. In the second book, village life has reverted to as normal as it ever gets, where Daisy is concerned. Then one morning everything changes in a very tragic way. To begin with, Daisy believes someone from her past is responsible. Before she retired, she had a job very few people have after all. Then a clue from a really unexpected source makes her wonder if it might be someone much closer to home. So once again she becomes the worm on the hook, much to Aidan and Sarah's horror. For Daisy, there's no choice because this time it's just about as personal as it gets. In the third book, following a surprise lead, their daughter might have been sold by traffickers to someone in Africa three years ago. Daisy, Aidan, and Sarah head for Uganda. But they've only been in the country a few minutes when a mysterious dying man thrusts a note into Daisy's hand. As he gasps his last breath, he begs her not to involve the police. She suddenly realises there isn't just one but two mysteries to be solved. The extra mystery deepens as three different people confess to a murder that took place many years ago. But there's a silver lining to solving a case the local police closed in the nineteen sixties because it unearths an overgrown path that just might lead them to Celia. A path that could very well end in an international incident. Read all about Daisy, Sandie, and everything else we do on the new [rtgreen website](#). Enjoy.

Daisy: Not Your Average Super-sleuth! The Siege of Castle Montazzini R T Green, 2023-09-09. A few days' relaxation in an ancient castle on the shores of Lake Lugano in Northern Italy sounds like an opportunity not to be missed for Daisy and Aidan. Until Leonardo da Vinci, a knight in shining armour and a tale of greed and debauchery rear their ugly heads, that is. Far from relaxing, our RED heroine begins to wonder if they'll even escape with their lives. One of the best cozy mysteries I've ever read. A real breath of fresh literary air. Daisy receives an out-of-the-blue phone call from her one-time neighbour back when they lived in London. Gloria invites her and Aidan to visit their castle in the Italian Lakes for a few days' break. Married to an Italian businessman, her husband Marcello inherited the castle a few years ago when his wealthy parents passed away. Now living in the impressive sixteenth-century family residence, Gloria thought they may like to see what they've done with the place. As they travel to Italy, Daisy can't shake off the feeling all is not quite what it seems. She and Gloria have been in touch from time to time but not had that much contact since they moved away. Her ex-neighbour sounded chirpy on the phone but perhaps a little too chirpy. Daisy is well aware that sometimes people gush about how happy they are to try and hide just how happy they're not. She says nothing to Aidan, putting it down to her paranoid gut envisioning problems where none exist and forces herself to look forward to the few days abroad. They've only been in the castle a few hours when Daisy has to admit ignoring her gut feeling was the worst idea ever. Realising that what motivated people centuries ago still motivates them today, it's not looking good. Read about Daisy and our other major series, The Sandie Shaw Mysteries, set in 1920s Chicago on the new [rtgreen website](#). And enjoy.
