

Fairy Tale Court By John C. Hughes

"A Realistic Look at Life's Little Fairy Tales"

A One Act, Three Scene play for Children

SCENE 1 The First Case

(Lights come up on the Fairy Tale Court. The Audience is excitedly chattering amongst themselves. After a few moments the Judge enters.)

Judge: All arise. The honorable Judge Mother Goose presiding. (Judge sits on with pet goose and takes her seat.) You may all be seated.

Judge: My lords, whippersnappers, who's the first case?

Judge: First on the docket is S. White Hyphen Charming vs. S.S.D.D.G.H.B. Dwarf. (As the parties are named they enter from their respective side of the stage and take their seats.)

S. White: (nervously) Hello your honor. What a pleasure it is to finally meet you.

Dwarf: (in unison) Hello, your honor.

Exposition (i): (To off stage audience) Things always start out as friendly here in Fairy Tale Court.

Judge: What seems to be the problem here Mr. White Hyphen Charming? (Judge starts to pet the goose.)

S. White: Well your honor, it's like this. I worked my fingers to the bone for these little ingrates, and all they could do was leave my bones alone to be found and maliciously attacked by my step-mother. (who still hasn't won a beauty contest, I might add), and left for dead. And...

Judge: Sounds serious young 'un.

S. White: Oh, it is just bones, and that's not all. When my dear sweet Prince Charming came along, these 7 little men tried to stop our "Happily Ever After," (Cue from both Audiences), by putting me under glass so I couldn't be kissed. Luckily Prince had his emergency glass breaker-breaking hammer to hit him when he came to call.

Judge: And what do you seven men have to say for yourselves?

Dwarf: (Cueing in unison) We stand, we stand, we off to work we go. And now we're here to plead and beg not no, not no. (Cue to markle from "And now"...)

Judge: Anything else?

New York Court of Appeals. Records and Briefs. New York (State)., **The Imperial Script of Catherine the Great** Vera Proskurina, 2022-06-23 Empress Catherine II produced a body of written material so vast and diverse that it seems impossible to provide a general characterization of the works contained in the authoritative twelve volume collection assembled by A N Pypin from handwritten source material This book does not attempt an all embracing review of Catherine s entire literary output which consists of works in multiple genres and

languages The Russian empress's writings have been the repeated subject of serious analysis for nineteenth and twentieth century researchers all of these in one way or another demonstrate that across a variety of genres and formats with a greater or lesser degree of independence and originality the literary works of Catherine II always express her politics and ideology These texts were carefully prepared their publications and stage productions executed magnificently As a rule the most significant works were translated into French German and in some cases English European readers as well as the Russian public were expected to be attentive witnesses to and happy consumers of the monarch's compositions Amongst rulers the literary productivity of the Russian empress has no analogue in history This volume is the first study in English of the vast literary output of Catherine the Great

Creativity and Children's Literature Marianne Saccardi, 2014-07-31 Today's students need to be able to do more than score well on tests they must be creative thinkers and problem solvers The tools in this book will help teachers and parents start students on the path to becoming innovative successful individuals in the 21st century workforce The children in classrooms today will soon become adult members of society they will need to apply divergent thinking skills to be effective in all aspects of their lives regardless of their specific occupation How well your students meet complicated challenges and take advantage of the opportunities before them decades down the road will depend largely upon the kind of thinking they are trained and encouraged to do today This book provides a game plan for busy librarians and teachers to develop their students' abilities to arrive at new ideas by utilizing children's books at hand Following an introduction in which the author defines divergent thinking discusses its characteristics and establishes its vital importance chapters dedicated to types of literature for children such as fantasy poetry and non fiction present specific titles and relevant activities geared to fostering divergent thinking in young minds Parents will find the recommendations of the kinds of books to read with their children and explanations of how to engage their children in conversations that will help their creative thinking skills extremely beneficial The book also includes a case study of a fourth grade class that applied the principles of divergent thinking to imagine innovative designs and come up with new ideas while studying a social studies science unit on ecology

Fairy Tales Framed Ruth B. Bottigheimer, 2012-02-23 2012 CHOICE Outstanding Academic Title Most early fairy tale authors had a lot to say about what they wrote Charles Perrault explained his sources and recounted friends' reactions His niece Marie Jeanne Le Ritier and her friend Marie Catherine d'Aulnoy used dedications and commentaries to situate their tales socially and culturally while the raffish Henriette Julie de Murat accused them all of taking their plots from the Italian writer Giovan Francesco Straparola and admitted to borrowing from the Italians herself These reflections shed a bright light on both the tales and on their composition but in every case they were removed soon after their first publication Remaining largely unknown their absence created empty space that later readers filled with their own views about the conditions of production and reception of the tales What their authors had to say about Puss in Boots Cinderella Sleeping Beauty and Rapunzel among many other fairy tales is collected here for the first time newly translated

and accompanied by rich annotations Also included are revealing commentaries from the authors literary contemporaries As a whole these forewords afterwords and critical words directly address issues that inform the contemporary study of European fairy tales including traditional folkloristic concerns about fairy tale origins and performance as well as questions of literary aesthetics and historical context **Radio Script Catalog** United States. Office of Education. Educational Radio Script Exchange, Gertrude Golden Broderick, 1946 **Stolen Limelight** Margaret E. Gray, 2022-05-15 Who has not in a favored moment stolen the limelight whether inadvertently or by design The implications of such an act of display its illicitness its verve its vertiginous reversal of power its subversiveness are explored in this book Narrative crafting and management of such scenarios are studied across canonical novels by Gide Colette Mauriac and Duras as well as by African Francophone writer Oyono and detective novelist Japrisot As manipulated within narrative acts of display position a viewer or reader from whom response from veneration or desire to repugnance or horror is solicited but this study demonstrates that display can also work subversively destabilising and displacing such a privileged spectator As strategies of displacement these scenarios ultimately neutralise and even occult the very subject they so energetically appear to solicit Powered by gendered tensions this dynamic of display as displacement works toward purposes of struggle resistance or repression

From Court to Forest Nancy L. Canepa, 1999 From Court to Forest is a critical and historical study of the beginnings of the modern literary fairy tale Giambattista Basile's *Lo cunto de li cunti* written in Neapolitan dialect and published in 1634 36 comprises fifty fairy tales and was the first integral collection of literary fairy tales to appear in Western Europe It contains some of the best known fairy tales types such as Sleeping Beauty Puss in Boots Cinderella and others many in their earliest versions Although it became a central reference point for subsequent fairy tale writers such as Perrault and the Grimms as well as a treasure chest for folklorists *Lo cunto de li cunti* has had relatively little attention devoted to it by literary scholars *Lo cunto* constituted a culmination of the erudite interest in popular culture and folk traditions that permeated the Renaissance But even if Basile drew from the oral tradition he did not merely transcribe the popular materials he heard and gathered around Naples and in his travels He transformed them into original tales distinguished by vertiginous rhetorical play abundant representations of the rituals of everyday life and the popular culture of the time and a subtext of playful critique of courtly culture and the canonical literary tradition This work fills a gap in fairy tale and Italian literary studies through its rediscovery of one of the most important authors of the Italian Baroque and the genre of the literary fairy tale **Learning from the Boys** Valarie G. Lee, 2013-01-01 The Boy Crisis is cited often in educational and news reports due to the consistent reading achievement gap for boys and the statistics paint a dismal picture of boys in school Politicians and researchers often focus on boys low scores on reading achievement tests and compare these scores to the girls scores with little consideration for the actual reading lives of boys As a result adolescent boys vernacular reading is most often misunderstood This book documents my journey as a mother of three boys and teacher of adolescents as I attempt to

articulate both the in school and out of school experiences of boys The book describes my attempts at creating a more complete picture of the reading lives and experiences of adolescent boys by describing three boys and their reading experiences in their natural contexts It provides a rich description revealing disconnects between school literacy practices and boys vernacular literacy practices In this book parents administrators and teachers will find discover the complexity of boys as readers challenging educators to pursue effective practice and curricular decisions which go beyond the quick fixes for the boy problem so often seen in response to low test scores This book provides parents administrators and teachers with an in depth description of three boy readers What emerges is a description of the complexity of boys as readers challenging educators to pursue effective practice and curricular decisions which go beyond the quick fixes for the boy problem so often seen in response to low test scores Teachers interested in mentoring boy readers will find this book helpful This book can also be used with pre service and in service teachers in undergraduate and graduate courses and in professional development
