Grossman,2021-07-12 Times of Perseverance Hope and Healing on the Battlefields of Life is a gripping narrative chronicling a Jewish man s tenacious survival from personal and family traumatic brain injury while capturing a transparent glimpse into the soul of a wounded man His brother s severe traumatic brain injury reveals that God leads a person to himself in times of tragedy Moreover his near death experience which was a result of human error teaches about God s forgiveness from Scripture This is not only a story of a Jewish man coming to faith in Jesus Christ and his theological progression to becoming a Messianic Jew Rather it encapsulates a genuine longitudinal account of overcoming life adversity and grief while providing hope encouragement and inspiration to the wounded of society Gregg s experiential account of loss from the coronavirus breathes comfort into the wearied soul contemplating meaning to life in this twenty first century postmodern era Hence this poignant story inspires the reader to acquire life purpose and experience restoration on their battlefields of life **My Imaginary Conversation with Joe Rogan About Christianity, the Supernatural, and Little Green Men** Kevin Cortez,2023-04-10 Many sincere Christians are misreading culture and as a result they are having difficulty with their faith So what is going on It is said that comedy reflects the current culture and many people now look to comedians not just to make fun of the world but to make sense of it Joe Rogan the host of the world s 1 podcast is one of the most influential comedians and media personalities With over 11 million listeners per episode Rogan s audience is four times larger than all the top prime time cable TV hosts combined This book was inspired by a podcast episode in which Joe Rogan shared his views on Christianity To date not a single guest on

Rogan's show has responded adequately to his misconceptions about the Christian faith. Thus the other side of the story has not been presented to his millions of listeners. In *My Imaginary Conversation with Joe Rogan About Christianity* the Supernatural and Little Green Men: A Survival Guide for Living in a Post-Christian Culture, Kevin Cortez gives a compelling response to Rogan's mistaken opinions. As you read, you will discover how to respond to those who malign your beliefs amicably. The author takes complex theological concepts and presents them in a way that is easy to understand and apply to everyday life. He draws on a wide range of historical, philosophical, and scientific sources to build his case, and his analysis is rigorous and well supported. He addresses many of the common criticisms of Christianity, such as its role in unfair atrocities and its perceived irrelevance in the face of modern science. He offers insightful responses that challenge readers to rethink their assumptions. The book is divided into fourteen chapters and five Survival Guides, each addressing a different aspect of Christianity's most commonly misunderstood concepts. It navigates a range of topics, including morality, science, philosophy, and history, to demonstrate Christianity's enduring relevance and importance in our contemporary world. Each chapter includes simple questions encouraging readers to reflect on their own beliefs and attitudes toward God. In addition to using scripture to support his claims, Cortez uses his forty years of personal experiences and encounters within the Christian subculture to illustrate his points. Perhaps most notably, he is unafraid to tackle controversial issues such as the miraculous, New Atheism, psychedelics, UFOs, aliens, the Big Bang Theory, speaking in tongues, the born gay question, the prosperity gospel, and demonology. His thought-provoking perspective is refreshingly nuanced and balanced. Whether you are a lifelong Christian or just beginning to explore faith, this book will deepen your understanding of God and give you a wealth of biblical references and theological concepts to build a God-centered life that can withstand the challenges of living in this post-Christian culture. Overall, for anyone interested in exploring the relevance and importance of Christianity in the modern world, Cortez's careful analysis, engaging writing, and personal reflections make this book a must-read for believers and skeptics alike.

**The Art of Prayer** Kenneth E. Hagin, 1991. El arte de la oración conocido por los primeros Pentecostales virtualmente se ha perdido durante los últimos años. Sin embargo, para que Dios lleve a cabo lo que El desea, el verdadero arte de la oración debe ser revivido en la Iglesia. El libro de Kenneth E. Hagin, *El Arte de la Oración*, muestra como puede ser hecho esto y refleja el material nuevo y actualizado del Rev. Hagin sobre este tema. El Rev. Hagin anota: "Creemos que Dios va a utilizar este libro para levantar y entrenar un gran número de personas que sepan como orar y que estén a la vanguardia de la obra del Señor en estos últimos días. Este texto es imprescindible para toda iglesia y para todo grupo de oración. Los capítulos en esta importante guía sobre el arte perdido de la oración cubren temas como: Oración por su patria, intercesión por los perdidos, oración por liberación, gemidos en el Espíritu, ayuno y oración por aquellos que están en pecado."
