Christian love calls us to make same sex marriage available the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love love for those with whom we disagree and love for those most affected by the decisions we reach     Publication ,1991     **Evolution and Holiness** Matthew Nelson Hill,2016-02-08 Theology needs to engage what recent developments in the study of evolution mean for how we understand moral behavior How does the theological concept of holiness connect to contemporary understandings of evolution In this groundbreaking work Matthew Hill uses the lens of Wesleyan ethics to offer a fresh assessment of the intersection of evolution and theology     **The Christian Century** ,1924
