**The Ultimate Guide to REIKI , Reiki: an Ancient Healing Art Revisited** Marguerite Antonio, 2011-03-25 Do you want to learn more about the marvelous magical tools our ancestors used to help maintain and heal their bodies? Reiki pronounced ray key is one such tool. The practice dates back to before the time of Christ and unleashes spiritual wisdom and life force energy. It may have begun in Tibet, India, or Egypt, but it has spread throughout the world and for good reason. Reiki harnesses life force energy to promote deep relaxation on mental, physical, and emotional levels, assist the body in its own innate healing process, and encourage the release of disease on all levels. Reiki: An Ancient Healing Art Revisited offers information on the history and precepts of Reiki. You can use this background to learn to use spirit-guided life force energy for healing and maintenance, become a Reiki therapist, and share healing energy with friends, family, clients, and pets, and use Reiki to achieve your desires and goals. Put Reiki and its techniques to use as soon as possible. With a longtime practitioner as your guide, you can change your life with Reiki. An Ancient Healing Art Revisited

**Reiki** Robert Levy, 2013-11-29 Do you think Universe in her ultimate wisdom would present humanity with the wonderful gift of Reiki and then dictate that everyone use it and practice it in the exact same way? For the author, the answer is no. Each of us is an individual, and when transmitting Reiki, the Universal Life Force Energy must take into account our individual differences. Reiki is not a static energy but a fluid one. For the author, Reiki is a personal healing system based on his relationship with Universe and the gift she gave him. And her gift is not a generic one. It is a personal one. That is the reason this book was written to show the reader how to connect directly with the Reiki Energy and claim the personal gift the author believes you are entitled to.

Reiki Eileen Curteis, 2011-11-16 After eighteen years as a practitioner and teacher of Reiki, Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door. People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her. Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it. In her manual, Eileen brings with her a core community of Reiki practitioners and teachers from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity, wonder, and beauty of God's universal gift for our time. The healing stories are too numerous to count, but she does include specific testimonials within her manual that speak for the thousands of others who have been healed through the doorway of Reiki. In this way, Eileen's Advanced and Master Level Training Manual becomes a living testimony as she thoroughly covers all the information.

required to be a successful and competent Reiki practitioner and teacher Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen s Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of hands on healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed About the Author Eileen Curteis a Sister of Saint Ann is a Reiki Master teacher and practitioner who has taught and treated thousands of people over the last eighteen years at Queenswood a former retreat and spirituality centre in Victoria BC Preceding this Eileen was a teacher principal and educator for twenty seven years Her greatest passion lies in her healing ministry and in the literary arts She has authored eleven books to date and through the years has become an accomplished poet artist writer as well as being a producer of six CDs and three films
