**Wildflower Personalities** Alan M. Cvancara, 2004-08-18 Alan M Cvancara has nurtured a passion for wildflowers for more than 40 years His early photographs of them were mostly records but later evolved to artistic images He likes to take wildflower novices on walks immerse them in their floral subjects and test them on identification until they learn in spite of themselves Alan hopes that greater acquaintance with wildflowers will lead to their greater protection Alan is a retired geology professor and the author of 11 nature books *Edible Wild Plants and Herbs A Field Manual for the Amateur Geologist* two editions *Exploring Nature in Winter Sleuthing Fossils Bare Bones Geology Sleuthing Fossils Designs of Nature Geological Glimpses Showy Wildflowers of Casper and Muddy Mountains Wyoming and At the Water's Edge* With his wife Ella J Cvancara he has co authored *Back Trip A Journey Into Perseverance* a chronicle of a chronic back pain victim and *Windows Into Legacy* a poetry photography book This book is an introduction to the diverse world of wildflowers Twenty seven close up flower portraits reveal fascinating floral details The photographs with accompanying essays for each allow you to gain insight into what makes a flower its purpose and further appreciation of nature's beauty And likened to the traits of a human the photographic portraits and essays reveal a wildflower's personality Meaningful additions to this book include comments on wildflower therapy wildflower quotations and tips on creating artistic wildflower portraits

**Humorous Wit** Djamel Ouis, 2020-01-17 *Humorous Wit* is a new compilation of quotations in their most humoristic form There are over 15 000 of these taken from various parts of the world with over 1 200 of them translated into English for the first time This book features 5 000 authors from every corner of the globe covering a period starting before classical antiquity when man first started to record his thoughts to modern times enriching the cultural heritage This does not in any way mean that the caveman was less humorous but the richness of the environment we live in today and the variety of subject matter contribute considerably to a refined sense of humour Moreover considering that chimps and other primates also possess the ability to laugh humour may have been around longer than the human race

*Say It With Style* Tanya Fox, 2012-07-01 This book features 1 000 sentiments grouped by popular card making and scrapbooking categories Crafters will turn to this book again and again when they want to say more than just the same old quote or sentiment 176 pages softcover
