PAST EXAM PAPER &
MEMO N5

ABOUT THE COLUMBIAN PARTNER AND COLUMBIAN HOT SPOT NETWORK

Abstract: This article discusses the importance of understanding the role of the family in the development of the child. The author argues that the family is the primary socialization agent for the child, and that the quality of the family environment is crucial to the child's development. The article reviews research on the effects of family structure, family process, and family context on child development. The author concludes that the family is a complex system, and that the interactions between its various components are what ultimately determine the child's outcome.
