This story is for mature audiences only and features intensely erotic situations bdsm play degradation spanking humiliation discipline punishment submission and dominance All characters are 18 or older Mitchell has been meeting his dom irregularly for the better part of 3 months He has never experienced anything as powerful fulfilling or seductive as his submission to the mysterious Mr A But their meetings are sporadic and he is desperate for more Tormented by needs he never knew he had and which only Mr A can satisfy he searches the nearby residential areas until he glimpses Mr A through an open window He approaches the house prepared to beg for more only to uncover an unwelcome surprise and reap the penalties and pleasures of his disobedient arrival Excerpt Mitchell Mitchell Mitchell What am I going to do with you A lump caught in my throat How I wanted this man for my own How I wanted to give myself to him every minute of every day totally absolutely and without reservation If we were together if we shared a home he could bring anyone he wanted into it I would never complain But life was not so kind Whatever you want sir I said quietly feeling a little sorry for myself He snorted in amusement and turned and seated himself on the couch The room smelled of him I breathed it in and savored it Come here he instructed patting the base of the couch where he sat I hurried forward and sank to the ground at his feet I curled myself around his strong calves and laid my cheek against his knee A shiver of pleasure ran through me as he stroked my hair fondly

My own hand returned to the outside of my pants You knew I wouldn't want you to come here didn't you he asked I knew it was a dangerous question no matter how sympathetic his tone might sound but I could not lie to him Yes sir I see He continued to stroke my head thoughtfully And how long have you been looking for me like this Driving around I mean I don't set out to sir I explained in a rush I just I am going somewhere and I get distracted and before I know it I am driving slowly through block after block I almost don't admit to myself what I'm doing but I I mean it just happens sir How long has it just been happening A month maybe Maybe a little longer His fingers grasped my neck and bent my head around forcing my head into a painful angle so that I was looking up at him That was how he was with me Sometimes it would not occur to him to ask me to do something He would just make my body do what he wanted it to I looked up into his eyes fearful but accepting of whatever punishment he gave me Things can't continue like this he said holding my face close to his Do you understand why With difficulty I nodded If I can't trust you with this simple boundary then what trust is there at all We might as well not know each other Through my eyes alone I tried to communicate how sorry I felt and how desolate the idea of not knowing him sounded I wanted him to know that I understood why he was unhappy and that I was a thousand times unhappier for being the one who had caused this And yet I had not meant to I could not help it So this is what we're going to do Mitchell I'm going to show you how bad an idea it is for you to come here and if you are good and if you learn your lesson if I see you really trying to learn your lesson then I will give you something to help you make it until the next time I can see you Does that sound reasonable I nodded gratefully Everything felt so much better when he established a direction for us He was going to punish me and then he was going to help me The guilt and shame at having come here was lessened by the knowledge that I would pay for the transgression It was a mistake but he would address it and we would move on That was all that needed to happen I knew that whatever he did would be the right thing
