**Tigers of Wrath** Vivek Iyer, 2007      **The Missionary Review of the World**, 1900      *Missionary Review of the World*, 1900      **Fallen Tigers** Daniel Jackson, 2021-05-11 Mere months before the attack on Pearl Harbor President Franklin D Roosevelt sent a volunteer group of American airmen to the Far East convinced that supporting Chinese resistance against the continuing Japanese invasion would be crucial to an eventual Allied victory in World War II Within two weeks of that fateful Sunday in December 1941 the American Volunteer Group soon to become known as the legendary Flying Tigers went into action For three and a half years the volunteers and the Army Air Force airmen who followed them fought in dangerous aerial duels over East Asia Audaciously led by master tactician Claire Lee Chennault daring pilots such as David Lee Tex Hill and George B Mac McMillan led their men in desperate combat against enemy air forces and armies despite being outnumbered and outgunned Aviators who fell in combat and survived the crash or bailout faced the terrifying reality of being lost and injured in unfamiliar territory Historian Daniel Jackson himself a combat tested pilot recounts the stories of downed aviators who attempted to evade capture by the Japanese in their bid to return to Allied territory He reveals the heroism of these airmen was equaled and often exceeded by that of the Chinese soldiers and civilians who risked their lives to return them safely to American bases Drawing from thorough archival research and compelling personal narratives from memoirs wartime diaries and dozens of interviews with veterans this vital work offers an important new perspective on the Flying Tigers and the history of World War II in China      **Army Digest**, 1971      **Reports**, 1961      **Annual Progress Report on Forest Administration in the Province of Bihar and Orissa for the Year ...** Bihar and Orissa (India). Forest Dept, 1914      **Tiger Battalion 507** Helmut Schneider, 2020-04-29 May the army of millions of dead of all nations bear witness to humanity for the hope that future generations may learn to discard war as the best way to resolve their differences Helmut Schneider This is the little known story of Heavy Panzer Tiger Battalion 507 told through the recollections of the men who fought with the unit The book was conceived during a reunion of the 507 at Rohrdorf in 1982 where it was agreed to set up an editorial committee under Helmut Schneider himself a veteran of the battalion to search for as many survivors of the unit as possible and gather their reminiscences The resulting account is a treasure trove of first hand material from personal memories diary entries and letters to leave passes wartime newspaper cuttings Wehrmacht bulletins and more than 160 photographs The account follows the unit from its formation in 1943 and the catastrophic events on the Eastern Front through battles on the Western Front and engagements against the American 3rd Armoured Division to the confusion of retreat panic stricken flight and Soviet captivity in the closing stages of the war Honest and unflinching this remarkable collection of autobiographies offers a glimpse into life in Hitler s panzer division and is a stark testimony of a generation that sacrificed its best years to the war This is the first English language translation of the work      **The International Socialist Review** Algie Martin Simons, Charles H.
