In the early 90s Big Tobacco was making a killing There was no entity more powerful and national tobacco related deaths numbered in the hundreds of thousands each year The economic loss from smoking related illnesses was billions of dollars And yet Big Tobacco had never paid a nickel in court Until one Southern small town lawyer figured out how Florida could sue Big Tobacco to reimburse the state for health care costs The end result Beyond the 13 billion settlement hundreds of thousands of American lives have been and will continue to be saved Meet Fred Levin Called by his own son a philanthropist and a cockroach Fred Levin is no ordinary attorney and his remarkable story is far from squeaky clean In *And Give Up Showbiz* New York Times bestselling author Josh Young works closely with Levin to give readers a glimpse into the extraordinary and entertaining life of the top trial lawyer who was a

pioneer in establishing American personal injury law Seen as an inspiring innovator by some and a flamboyant self promoter by others Levin has not only fought against Big Tobacco he has won victories for women African Americans and workers everywhere Levin s unprecedented legal career is just one aspect of his roller coaster life story From managing one of the world s greatest boxers to avoiding multiple disbarment attempts and from becoming a chief in the country of Ghana to even being a person of interest in two separate murder investigations his story reads like a novel suitable for the silver screen And Give Up Showbiz is both shockingly candid and wildly funny
