5.1.1.1 *Identifying a suitable policy*
 The following table lists the three suggested policy options for consideration:

21. **Correct answer: D** The passage states that the researchers "found that the more people who were involved in the decision-making process, the more likely the group was to make a decision that was consistent with the majority." This suggests that the researchers found that the more people involved in the decision-making process, the more likely the group was to make a decision that was consistent with the majority.
