**The Excalibur Alternative** David Weber,2002-01-01 HE WHO LIVES BY THE SWORD The races which ruled the Galactic Federation knew they were vastly superior to the inferior species restricted to the narrow confines of their own star systems by the crudity of their technology and they had every intention of keeping things that way It was a neat little scam a rigged game in which only the House could win which the Federation had played for over a hundred thousand years and no one had ever managed to challenge it Yet all good things come to an end and the Galactics made one mistake It didn t seem all that terrible at first only a single merchant guild which bought itself a Roman legion to use as enslaved sepoys on the primitive worlds where they weren t permitted to use their own weapons to force trading concessions But the Romans were too good at what they did and a desperate competing guild decided that the only way it could continue to compete was if it had Romans of its own Unfortunately Roman legions were no longer available so the competing guild had to settle for something else English longbowmen on their way to the Battle of Crecy Roman legions make dangerous pets but English longbowmen are even worse It may take a century or so but the Galactics are about to discover what happens when the sword finally comes out of the stone At the publisher s request this title is sold without DRM Digital Rights Management
