Official Guide North American Soccer League,1968

Beyond Boycotts Philippe Vonnard,Nicola Sbetti,Grégory Quin,2017-12-18 Sport during Cold War has recently begun to be studied in more depth Some scholars have edited a book about the US and Soviet sport diplomacy and show ow the government of these two countries have used sport during this period notably as a tool of soft power during the Olympic games Our goal is to continue in this direction and to focus more on the sport field as a place of exchanges during the Cold War Regarding this point our aim is to show that there were events beyond boycottsmany and that unknown connections existed inside sport Morevoer many actors were involved in these exchanges Thus it is important not only to focus on the action of States but also on private actors international sporting bodies and journalists considering that they acted around sport an apolitic field as it was tool to maintain links between the two blocs Our project offers a good opportunity for young scholars to present original research based on new materials notably the use of institutional or personals archives Morevoer it is also a step forward with a view to conduct research within a global history paradigm one that is still underused in sport academic fields

Risk Management in the Outdoors Tracey J. Dickson,Tonia L. Gray,2012-02-02 Risk Management in the Outdoors is essential reading for students and practitioners involved in outdoor education sport recreation and tourism Written by an expert author team it explores the value of the outdoors in a society that is increasingly risk adverse but at the same time pushes the commodification of high risk and extreme activities Drawing upon the risk

management process from the International Standard on Risk Management ISO 31000 this text adopts a whole of organisation approach to risk management It covers organisational sustainability legal issues program design activities severe weather scenarios incident analysis Risk Management in the Outdoors provides direction on how best to manage the down side of risk taking while maximising the potential benefits Each chapter contains focus questions case studies action points for practitioners plus further questions and activities

TV Guide ,1982-07 **Football Club Management** Ian Lawrence,2018-01-29 The rapid global growth of the sport industry has prompted the need for a more commercial approach to the management of sport clubs This book is the first study of its kind to focus on the management of professional football clubs providing a real world insight into management principles and their practical application The international commercialisation of football has led to a fundamental transformation of the industry s management practices given the financial rewards of success and the high price of failure This book presents a critical examination of this transformation questioning why clubs are increasingly adopting management strategies from other industries Each chapter analyses the role played by a key leadership figure within a club such as the owner chief executive officer CEO chief financial officer CFO chief operating officer COO director of football DoF and head coach Full of exclusive interviews case studies and examples of best practice this book sheds new light on the challenges of working in this extraordinarily high pressure environment Football Club Management Insights from the Field is fascinating reading for all those working in or studying the management marketing or administration of football

Sports Agents and Labour Markets Giambattista Rossi,Anna Semens,Jean Francois Brocard,2016-06-10 The sports agent has become a highly significant figure in contemporary sport business The role of the agent is essential to our understanding of labour markets and labour relations in an increasingly globalised sports industry Drawing on extensive empirical research into football around the world this book explains what agents do how their role has changed and why this is important for future sport business Offering analysis from economic legal social and historical perspectives the book explores key topics such as the history of sports agents including the emergence of the modern agent in US sport typologies and demographic profiles of agents in football valuations and organisational analysis of leading European agents and agencies relations between agents and clubs future directions for research into sports agents Focusing on the major European leagues this book goes further than any other in illuminating an important but under researched aspect of contemporary sport business It is a valuable resource for any student researcher or policy maker with an interest in sport business sport management sport policy the economics of sport or labour economics
